#17-0018

Sara,  
Can I get a proposed extension of contract to last year's spring clean-up on Monday's Board of Public Works agenda please? In addition to this email will be a proposed 7% increase in collection costs. Landfill costs this year are \$62/ton, and mattress & box spring recycling costs will remain at \$12.50 each. An addition \$50K has been added to this service from another account to cover the additional collection and disposal/recycling costs. The following email will contain Hilltopper's proposal attachment.

Proposals for City-Wide Large Item Collection/Spring Clean-up. RC

A motion was made by Hexom, seconded by Turtenwald, to APPROVE the proposal by Hilltopper for citywide large item collection to begin May 4, 2016 to allow residents two opportunities for large-item collection in the month of May on their recycling day of collection. No electronics, TVs, etc. are allowed in this collection. The motion carried by voice vote.

**REQUEST FOR PROPOSALS**

**MAY 16<sup>TH</sup> - JUNE 10<sup>TH</sup>**

**LARGE ITEM COLLECTION / SPRING CLEAN-UP**

The City of La Crosse is requesting proposals from refuse and recycling contractors to provide city-wide, residential collection and disposal of large items, and collection and recycling of mattress and box springs for the above mentioned timeframe.

Services to be provided:

This description of the services to be provided shall be considered examples only and not to be all inclusive.

Collection of large items shall be on the same day as recycling collection. The intent is for two (2) complete passes through the City

Collection of large items to be landfilled shall be done with a rear end packer truck.

Collection vehicle for mattresses and box springs is at the discretion of the Hauler, but mattresses and box springs shall be covered during collection if incumbent weather to ensure materials stay dry.

Large items collected shall be limited to 5 per property address. An example: a dining table and chairs counts as 1 item.

Appliances and electronics banned from landfills shall not be collected.

Contractor shall haul and dispose of non-recyclable material removed from properties at the La Crosse County Landfill. The City shall reimburse the contractor for disposal fees and tipping fees based on weight tickets from the La Crosse County Landfill.

All metal that can feasibly be recycled, shall be. Any revenue received by the contractor shall be retained by the contractor.

All mattresses and box springs shall be recycled (not refurbished) by a licensed facility. No mattresses or box springs shall be landfilled unless previous permission has been

granted by the Department of Public Works or the Recycling Department. The City shall reimburse the contractor for recycling fees based on tickets from the recycling facility.

**Proposed Cost of Services**

The contractor shall provide the City a lump sum cost bid to provide the services described. A cost breakdown shall be included with the bid to show how the bid was calculated. The breakdown can either be shown by hourly costs, or by route. The rates shall include all material, labor and equipment costs to provide the services described. Rates shall be held firm by the City for the term of the agreement.

Lump Sum Collection Cost \$ 55,055.00 \_

Proposal Submitted by: Gary Hougom \_

Company: Hilltopper Refuse & Recycling Service, Inc. \_

Submit proposals by: March 23, 2016

To:

City of La Crosse Refuse & Recycling
