MEMORANDUM

To: Board of Public Works
From: SEH, Inc. on behalf of the Engineering Department
Date: 3/12/2025
Subject: Update on Integrity Grading and Excavating regarding repairs to RPD and reinstatement for Bidding on Public Construction Projects.

Dear Members of the Board of Public Works:

This letter is to follow up with the discussion during the Board of Public Works meeting on February 24, 2025. regarding the storm sewer repairs to be completed by Integrity Grading and Excavating (IGE) at the River Point Phase 3 Development.

Productive discussions have taken place with IGE and commitment to complete the required repairs have been given. IGE has shown commitment to complete the required repairs through the following actions:

- Sawcutting and pavement removals for the structure repairs have been completed.
- IGE has been onsite completing inlet mortar and tuckpointing.
- Replacement of inlet castings and structure modifications have been completed as required.
- Concrete curb & gutter and pavement replacement has begun and is anticipated to be complete by Friday, March 21st.
- IGE has requested quotes from contractors to complete the storm sewer pipe lining.
