Mr Henderson,

Thank you for sharing your opinion on the conversation surrounding Riverside Park. I want to stress that the current business proposal being vetted does not solely revolve around the wedding venue aspect. That is one use that would be incorporated into the operations. I am putting together a information sheet that I will be releasing, in hopes that some misinformation can be corrected. I would be happy to discuss this matter with you further. Also, I removed Tim Kabat and added Mayor Mitch Reynolds from your email, I am assuming you were trying to loop in the current Mayor.

Thanks

I am strongly OPPOSED to converting the Fish Hatchery building in Riverside Park to a wedding venue. The upfront renovation cost to us taxpayers is way too high, parking will be a major problem, no need to compete with other venues, etc.

Respectfully,
