

Resolution approving Western Technical College institutional campus master plan.

RESOLUTION

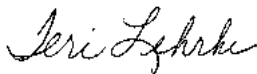

WHEREAS, an objective of the comprehensive plan is to provide for institutional growth while protecting the character and integrity of the surrounding neighborhoods;

WHEREAS, a policy aimed at reaching this objective is the requirement that institutions develop a master plan to define their anticipated future physical expansion needs; and

WHEREAS, these plans should establish a perimeter growth boundary, identify locations for future buildings or additions, anticipate vertical rather than horizontal growth, and accommodate new or expanded parking and traffic flow and landscaping.

NOW, THEREFORE BE IT RESOLVED, that the Common Council of the City of La Crosse hereby approves the update to Western Technical College's campus boundary.

I, Teri Lehrke, certify that this resolution was duly and officially adopted by the Common Council of the City of La Crosse on October 12, 2017.
