

We the neighbors of the 200 + 300 Block of Rose St. were told we would get a letter telling us when the meeting would be rescheduled for the 207 + 213 Properties well we never got that letter. We only got a letter telling us when the meeting for the 303 Rose St. property would be. That letter said nothing about the 207 + 213 Rose St issue would also be addressed. We feel that was a very sneaky way of doing business. No one living in this neighborhood wants that property rezoned. We certainly do not want more apartment buildings.

When they put the apartment building up in the 300 Block of Rose we were told the same line of crap. It would be so nice & well kept up and only decent people would be allowed to rent there. The same story they are telling us about this deal they want to put into these empty lots. Well guess what with one year all it turned out to be was a drug den. Now you want to move more of this crap into our supposedly nice livable neighborhood. In the past three weeks we have had multiple incidences in this area. In the empty lot at 213 Rose St. we had a drug overdose. That boy's money went to pay for emergency equipment to come to save the drug dealer, waste of money. Then we had two trucks going in opposite directions on Can St. firing weapons. Boy isn't that safe for our neighbors. Last Sunday we had a black man by 207 Rose St. attempting to buy drugs & he went crazy and was running up the street yelling that he was going to kill the home owners along from 230 Rose St. A week ago Friday night there were nine drugies standing by a bedroom window at 207 Rose St at nine PM waiting to buy drugs. Come on people is this what you would want in your neighborhood. Please use common sense & realize this is not going to make our neighborhood better. We are pleading with you. Say No to
remain PLEASE

April 28, 2020

We the people of the neighborhood are very much opposed to rezoning our area from single family to multi dwelling at 213 + 207 Rose St. We do not want apartment building in our block as it attracts undesirable such as drug dealers, drugis other trash. They have enough of that in the 300 Block of Rose St. We want to keep our area respectable. Please do not rezone leave it as is, that is our wishes, we the sender signal NO to rezoning. Leave it as is.
