Ronald J. Tischer
Chief of Police

Determination

That the Chief of Police issue a finding and order to create a "2 Hour Parking, 8:00 A.M. to 6:00 P.M., Except Saturday, Sunday, and Holidays" zone on the south side of the 1400 block of Main Street, from 14th Street to 15th Street.

Discussion

A request and petition have been received from the owner(s)/resident(s) of said block(s) regarding the feasibility of creating time-limited parking zones to alleviate on-street parking congestion and unavailability. Parking on the west side of this block is currently unrestricted, and vehicles from the University of Wisconsin, La Crosse, regularly occupy it.

Those petitioning for 2-hour parking represent 75% of the south side of the street. This is considered prima facie evidence for a change in on-street parking. The zoning is entirely Residential, so properties may be eligible for free, non-expiry permits from the Police Department. It is therefore my recommendation to establish 2-Hour parking, as detailed above.

Sincerely,

Matthew A. Gallager, P.E.
City Traffic Engineer
