**Re:** Golden Tap SPP

---

Bijan Jadali is requesting that his three street privilege permits be combined into one permit. He states that he has spoken to members of the board and he was told to put them on one application. I have had him fill out the application for his lights that currently do not have a permit as well as the renewal forms for the two that do have permits. I have attached copies of the permits with the renewal forms for your viewing. He is aware that the Board may deny his request.

I will be out of the office until Monday January 4, 2016. If you have any questions regarding this matter, please feel free to contact me then. Thank you.
