If at any time the City receives restitution through the courts or other sources which exceeds the above stated amounts, the officer shall additionally receive the difference between the applicable above stated amount and the amount actually received by the City.
- C. Reimbursements. All requests for reimbursement under this article, including purchase of new equipment and damage to eyeglasses or personal property, shall be submitted for approval to the Chief of Police, and such approval shall not be unreasonably denied.

ARTICLE XIV - OVERTIME

- A. Definition. Employees will be compensated for time worked in excess of eight (8) hours per day or in excess of the regular work week at the rate of time and one-half the scheduled rate

of pay for such employees. Overtime compensation at time and one-half (taken as pay or comp time) shall be earned when a police officer works in excess of his/her regularly scheduled shift (12, 10 or 8.4) hours in any one shift.

If an officer works and is paid for more than one hundred seventy-one (171) hours in any twenty-eight (28) day work period, they shall receive overtime compensation at time and one-half pay, with the exception of the hours worked under section 9-a (104 “unscheduled hours”).

Any Overtime hours for call back, court, extra-duty, grant, security or off duty phone calls will follow the provisions of the current collective bargaining agreement.

- B. Travel Time. Travel time to attend schools when officers volunteer to attend such schools shall be compensated at the regular straight time rate.
- C. Oktoberfest. All hours of work performed between the hours from 5:00 AM Friday to 6:00 AM Sunday of the Oktoberfest weekend shall be paid at double time. This provision does not apply to training (including associated travel) and court time.

Unused compensatory time in excess of eighty (80) hours must be used or it will be paid in cash as of the last pay period of each calendar year. Only eighty (80) hours of compensatory time may be carried over from one calendar year to the next. One calendar year is defined as the first pay period through the last pay period of each year as defined by the City. Compensatory time that is paid in cash at the end of a year shall be paid off at the last rate in existence for that year.
 - 3. There shall be no exceptions to the limitations imposed herein.
 - 4. At the employee’s option, the payoff of all compensatory time on the first pay period in December of each year may occur subject to the following: It is agreed that 2/3 of the remaining monies available in the police department’s annual overtime budget may be used to pay out compensatory time balances of employees that so request. Requests from employees will be honored in the order of total bargaining unit seniority.

Compensable training outside normally scheduled work hours under the contractual agreement will be

paid at time and one-half. All travel time associated with training will be paid at straight time unless its mandatory training.

An exception to the above will be when training takes place in lieu of regular workdays. In this circumstance, time will be at the employee's regular rate of pay including any shift differential. Regarding annual in-service training for recertification (defined as annual training required by the State of Wisconsin for members to remain certified as Police Officers, consisting of up to 24 hours annually), the department may modify the starting/ending times of the individuals attending in-service training to prevent overtime, but only if those officers were already scheduled to work the same day. Attending annual in-service training on a day off will still be considered overtime and compensated at time-and-one-half. Mandatory training shall be defined as training that is required by the department, by training and standards, or any training required to obtain or maintain certain department approved certifications or level of competencies established as necessary by the department. The Officer shall be paid travel time at the rate of time and one half.

ARTICLE XV - CALL BACK AND MINIMUM COURT PAY

- A. Recall to Duty. Employees recalled to duty after having left the premises, or scheduled to return to duty while off duty, shall receive a minimum of three (3) hours' pay at time and one-half. This includes required court appearances while off duty. If the employee is assigned two (2) court appearances at the same time, only one overtime slip can be submitted.

Example: if one court case is cancelled and one case goes to hearing, the employee would receive three (3) hours pay at time and one-half for the hearing and could not submit for an hour of straight time for the cancellation.

- D. Court Appearances Outside of La Crosse. An employee subpoenaed to testify in a court outside of the City limits of La Crosse because of a court case arising out of the scope of his/her employment on regularly assigned workday, shall work the day shift on the day of the hearing.

Employees working other than the day shift shall be considered on day shift for purposes of honoring the subpoena (i.e. 7:00 AM to 3:00 PM) and shall receive overtime pursuant to the prescribed article in the contract for anything over eight (8) hours, which shall not include time for sleeping, but shall include all time pertinent to the subpoena and travel time. Provided, however, that the employee has at least eight (8) hours off prior to the commencement of travel to the hearing. This provision shall not apply to regularly scheduled off days and the overtime section shall prevail in this instance, and shall include all time pertinent to the subpoena and travel time paid at time and one-half (1 1/2).

Officers who are required to travel outside of the City shall be provided with a City vehicle when possible.

All subpoena fees shall be turned over to the Employer, except for meal allowance and motel, if applicable, provided that if an employee is required to use his/her own vehicle, he/she shall also be entitled to keep the mileage allowance.

Conversion of Holidays will be hour for hour based on an 8 hour work day. Currently, eleven (11) holidays are recognized. Each officer will be credited a Holiday Compensation Time Bank pro-rated for the number of recognized holidays scheduled in the calendar work year. Eleven (11) days = 88 hours

- A. In order to be eligible for holiday pay the employee must have worked the last regularly scheduled, full work day immediately preceding the holiday, and must further work the first regularly scheduled, full work day following the holiday. Vacation, personal business, sick leave, compensatory time and banked holidays shall count as hours worked for purposes of this paragraph.
- B. Holiday Compensation Time Bank. All holiday pay as provided above can be credited as compensatory time off in lieu of cash payment; however the compensatory time, when used, shall be with the permission of the Chief of Police or his designee. Such holiday compensatory time, if not used or approved to be used when the last pay period in November is calculated, shall be paid in cash the first pay period in December.

E. Work Schedule - The City of La Crosse and the La Crosse Professional Police Officers Association have jointly developed a twelve (12) hour work schedule for sworn non-supervisory police officers of the La Crosse Police Department, which is based upon a twenty-eight (28) day work period with a total of 2080 hours worked per year.

F. The LPPNSA and the City have declared a working period of twenty-eight days (171 hours) “7K” work period pursuant to the provisions of the Fair Labor Standards Act.

G. Employees covered by the LPPNSA agreement and working a patrol shift shall work a twelve (12) hour shift schedule.

H. Shifts are defined as 6:00 a.m. to 6:00 p.m. for the day shift and 6:00 p.m. to 6:00 a.m. for the night shift. Overlapping patrol coverage will be accomplished by having “early” patrol assignments of 5:00 a.m. to 5:00 p.m. and 5:00 p.m. to 5:00 a.m. The Power Shift will operate from 3PM until 3AM. Both platoon 1 and 2 may have officers assigned to the Power Shift. The officers assigned will continue to follow the same off group rotation as designated with 12 hour shifts.

Officers assigned to the Power Shift will be considered as working the “night” shift and will receive the “night” shift differential.

I. All employees covered by the LPPNSA agreement will also be covered under the twenty-eight (28) day one hundred and seventy-one (171) hour (7K) work period.

J. The following will also apply to 5/2-5/2-scheduled employees:

1. Will be paid 2,080 hours per work year.
2. Employees will be allowed the option to work a four (4) day – ten (10) hour shift if it is mutually beneficial to the Department and employee and not to exceed 2080 paid hours per year. An employee working under Article XVIII Section J may exchange the day off from their assigned day off to another day off within the next 60 days with the approval of the Chief of Police or his/her designee. Employees working 4/10 will not receive “unscheduled hours” as the scheduled work hours will not exceed 2,080 scheduled hours.
3. Employees will be allowed the option to work five (5) working days of eight and four-tenths (8.4) hours per day, repeated each week- typically, Monday through Friday, if it is mutually beneficial to the Department and employee and not to exceed 2080 paid hours per year. Employees working under this schedule will receive 104 hour “unscheduled hours” in lieu of the hours scheduled in excess of 2,080 hours.
4. Employees assigned as School Resource Officers (SRO) will work a 5/2-5/2 schedule on an 8.4 hour work day. When assigned back to shift under Article XVIII-D, they will maintain the 5/2-5/2 schedule and will continue to work an 8.4 hour day.

K. The 12 hour work schedule will be two (2) consecutive twelve (12) hour days on duty followed by two (2) consecutive days off, followed by three (3) consecutive twelve hours days on duty followed by two (2) consecutive days off, followed by two consecutive twelve hour days on duty followed by three (3) consecutive days off (2/2-3/2-2/3 cycle).

L. The Chief of Police will determine the staffing levels (that is, the exact number of police officers) for each of the two shifts that are necessary for the twelve (12) hour schedules. In addition, the Chief of Police shall have the right to alter said staffing levels, from time to time, as he deems appropriate and necessary to insure the efficient operation of the Department and/or where said adjustment shall be in the best interest of the Department.

M. Hours of Work and Absence from Duty: Under the twelve (12) hour work schedule, officers working will be scheduled to work twelve (12) hours per work day. Over the entire fifty-two (52) week calendar year, said 12 hour or 8.4 hour schedule will result in a total of one hundred and four (104) additional scheduled hours over the contractually established 2,080 annual work hours. This agreement is based upon a 2,080 scheduled hours per year. In order to reduce the total number of hours back to 2,080 hours, officers will be required to un-schedule 104 scheduled work hours generated by the twelve (12) hour schedule. The 104 “unscheduled

hours” will be addressed in the following agreed upon manner.

1. The additional 104 hours will not be considered overtime hours or paid hours
2. Officers assigned to a twelve (12) hour 2/2, 3/2, 2/3 work schedule or 8.4 hours 5/2-5/2 work schedule will be allotted one hundred and four (104) “unscheduled hours” of time off on Jan 1 of each year. Such hours will be pro-rated if an officer is assigned after Jan 1 based on the total number of hours over 2080 hours that are projected to work in remaining calendar year.
3. Officers will be allowed to use the banked 104 “unscheduled hours” in lieu of regular scheduled work hours over the course of the calendar year at the approval of the Chief of Police/designee. “Unscheduled hours” are not allowed to be carried over to a following year and shall not be subject to payout at end of year. Officers must use “unscheduled hours”. Officers shall have all unused “unscheduled hours” used by November 1st of each year, or those hours will be scheduled by the Chief of Police/designee.

N. MEAL TIME/BREAK TIME

Because payment for meal periods is included in the standard workday, the City is not liable for any additional compensatory time. One thirty (30) minute meal period and two (15) minute break period shall be permitted during each twelve (12) hour segment during the tour of duty. The meal and/or break period shall be non-contiguous, subject to call, and are included in the work day. Meal and/or break periods will be authorized by the shift commander or supervisor.

Employees working the 12 hour schedule shall not engage in any outside employment within eight (8) hours of beginning such shift or on a regularly scheduled work day.

In order to avoid fatigue, employees working the /12 hour schedule all efforts will be made to avoid working more than seven (7) days at a stretch and no more than 16 hours straight. This does not include mandatory court appearances or other emergency situations. In the case of a mandatory court appearance, the employee at their option, can utilize all or part of the court appearance time as “time worked” for their next scheduled shift, if that shift is scheduled less than 12 hours from the end of the court appearance.

Parties agree that excluding any unpaid leave, officers shall be paid on a smoothing basis (80 hours bi-weekly which includes “unscheduled hours”) for their bi-weekly payroll, as opposed to pay for actual hours worked. At the end of the FLSA 7(k) pay period (28 days), Finance will ensure that officers are made whole for any FLSA premium due.

- b. Officers working extra security assignments under this subsection shall be

Compensation for such assignments shall be paid through the City's regular payroll system and shall be treated as wages for purposes of applicable fringe benefits.

- c. Hours worked under this subsection shall not be counted toward overtime eligibility under this agreement and shall not be subject to the agreement's overtime provisions, except for the premium rate set forth above in section b.

ARTICLE XIX - VACATION

A. Benefit.

Employees shall receive one (1) week of paid vacation after one (1) year of continuous service; two (2) weeks after two (2) years of continuous service; three (3) weeks after six (6) years of continuous service; and four (4) weeks after thirteen (13) years of continuous service; five (5) weeks after twenty (20) years of continuous service; twenty-six (26) days after twenty-six (26) years of continuous service; twenty-seven (27) days after twenty-seven (27) years of continuous service; twenty-eight (28) days after twenty-eight (28) years of continuous service; twenty-nine (29) days after twenty-nine (29) of continuous service; and thirty (30) days after thirty (30) years of continuous service.

One day is understood to mean 8 hours of accumulated vacation time, and one week is understood to be 40 hours of accumulated vacation time. A 12 hour shift employee who takes vacation for their full day would be required to use 12 hours of their vacation accrual.

The conversion of vacation time shall be hour for hour based upon an 8 hour work day as follows:

- 1 week = 40 hours
- 2 weeks = 80 hours
- 3 weeks = 120 hours
- 4 weeks = 160 hours
- 5 weeks = 200 hours
- 26 days = 208 hours
- 27 days = 216 hours
- 28 days = 224 hours
- 29 days = 232 hours
- 30 days = 240 hours

B. Work Week. Vacations shall start at the beginning of the employee's work week.

C. Vacation Carryover. Any officer who was unable to use his/her accrued vacation time before December 31st of any calendar year shall be allowed to carryover up to two weeks of vacation into the subsequent calendar year. The carryover will occur automatically after the last pay period of the year. Any vacation carried over into the subsequent year must be used by the last full pay period of that year, or it shall be forfeited.

ARTICLE XX - TRAINING

Officers may be assigned to training outside their regular fixed shift only under the following conditions:

1. Training under this provision does not include training available with the department.
2. This provision does not apply to the initial recruit training as required by the Law Enforcement Standards Board.
3. This provision does not apply to officers who volunteer and are approved for training.
4. At the discretion of the Chief of Police/designee, an officer assigned to a twelve (12) hour schedule may be temporarily placed on a 5/2 (8.4-hour day) schedule for training purposes when said training exceeds a four (4) day consecutive period.
5. When an employee is assigned to attend training and the training is less than 12 hours for employees on a 12 hour schedule or less than 10 hours for employees on a 4/10, the employee shall pre-arrange with their shift command to make up the work hours, or promptly return to his/her division and be prepared to work the remaining hours, or use banked unused time off to cover the remaining hours, subject to advance management approval.

ARTICLE XXI - MANAGEMENT RIGHTS

Except as otherwise specifically provided herein, and except for mandatory subjects of bargaining which may not be specifically covered by this agreement, the management of the City of La Crosse and the direction of the work force, including but not limited to the right to hire, to discipline or discharge for proper cause, to decide initial job qualifications, to lay off for lack of work or funds, to abolish positions, to make reasonable rules and regulations, to determine the schedule of work, but shall not include the suspension of the fixed shift, to sub-contract work, together with the right to determine the methods, processes and manner in which the work is to be performed, are vested exclusively in management. Seniority shall prevail except in cases of emergency in the selection of shift assignments.

ARTICLE XXII - PROBATIONARY PERIOD

Newly hired employees shall be required to serve an eighteen (18) month probationary period. Employees that fail to satisfactorily complete the probationary period may be terminated without cause and shall not be afforded a hearing before the Police and Fire Commission or any other administrative tribunal, including grievance arbitration. The probationary period shall be subject to Police and Fire Commission rules and regulations.

ARTICLE XXIII - VACANCIES WITHIN THE DEPARTMENT

- A. Posting. Any vacancy or new position created within the Department shall be posted listing the job description, requirements and qualifications.
- B. Preference. Employees of the Department shall have preference over non-members, if

qualified for such vacancies or positions.

- C. Fire and Police Commission Rules. Any vacancy or position which is a promotion shall be governed by the Police and Fire Commission's rules.

All other vacancies or positions that are filled by appointment shall be based on qualifications and where qualifications are equal, the employee with the most seniority shall have preference.

- Meets current standards for employment with this Department with regard to certification and education, and
- Is selected to be hired,

Shall be eligible for compensation and vacation accrual at a level above that of a new officer, up to 1st Class Patrol Officer. The selected individual shall be considered a new employee for all other matters including assignment to investigator, etc. Effective January 1, 2016, lateral transfers may be eligible for consideration for assignment to Investigator, subject to the selection criteria as defined in Article XXXII.

In determining the level of pay compensation, the following guidelines are to be used:

4th Class Officer.....Less than 12 months of full-time service

3rd Class Officer...12 months of full-time service but less than 24 months of full-time service

2nd Class Officer... 24 months of full-time service, but less than 36 months of full-time service

1st Class Officer.....36 months of full-time service

Once an officer reaches 36 months of service, they are eligible for First Class Officer pay. Pay step placement and progression is based on total full-time service, including time served at a previous department and time earned with the LCPD.

For example:

12 months of full-time service = 3rd Class Officer

24 months of full-time service = 2nd Class Officer

36 months of full-time service = 1st Class Officer

These guidelines may be overridden by agreement between the Police Department Administration, the Mayor, the Director of Finance & Human Resources and the LPPNSA Board with regard to specialized training and qualifications that an applicant may possess.

In determining the level of vacation benefit, the lateral transfer will receive "continuous years of service" credit for all previous full-time police service/experience and will receive the same vacation benefits under Article XIX-A as any current employee. By way of example, a lateral transfer with five (5) previous years of service in good standing with another agency and five (5) years of continuous service with this agency will be

deemed to have ten (10) years of service for vacation benefit.

Lateral transfer credit(s) do not apply to calculations for longevity compensation or seniority.

ARTICLE XXVI - RESIDENCY

The City of La Crosse follows State law regarding residency requirements, WI Act 20, Section 1270, 66.0502(4)(b) states “a local government unit may impose a residency requirement on law enforcement, fire or emergency personnel that requires such personnel to reside within 15 miles of the jurisdictional boundaries of the city, village or town to which the personnel are assigned.” Should the City elect to enforce this provision, incumbent employees would be grandfathered, and would not be impacted. If implemented, the residency requirement would only be applicable to candidates hired after the implementation date.

ARTICLE XXVII - DUES DEDUCTION

- A. **Definition.** Membership in the Association is not compulsory. An employee may join the Association and maintain membership therein consistent with its constitution and bylaws. - B. **Duty of Fair Representation.** The Association will represent all of the employees in the bargaining unit, members and non-members, fairly and equally. All employees with a voluntary signed dues deduction form on file shall pay an amount to the Association equivalent to the uniform dues required of members of the Association.
- C. **Deductions from Payroll.** The City agrees that on the first paycheck of every month it

will deduct from the earnings of all employees with a signed dues deduction form on file in the collective bargaining unit covered by this agreement, the amount of money certified by the Association as being the monthly dues uniformly required of employees. Changes in the amount of dues to be deducted shall be certified by the Association to the Director of Human Resources thirty (30) days before the effective date of the change.

Deductions shall be made each month, and the total of such deductions shall be paid to the Association.

The City shall not be liable to the Association, employees or any party by reason of the requirements of this article for the remittance or payment of any sum other than that which constitutes actual deductions from employees' wages earned.

Members may opt out of dues paying by providing a written notice to the Local Association and the City's Human Resources Department.

- D. Hold Harmless. The Association shall indemnify and hold the City harmless against any and all claims, demands, suits, orders, judgments or other forms of liability against the City that arise out of the City's compliance with this fair share agreement.

ARTICLE XXVIII - AMENDMENT PROVISION

This Agreement is subject to amendment, alteration or addition only by a subsequent written agreement between and executed by the City and the Association wherein mutually agreeable. The waiver of any breach, terms or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and conditions.

ARTICLE XXIX - SAVINGS CLAUSE

If any Article or section of this Agreement or any addendums thereto should be held invalid by operation of law by a tribunal of competent jurisdiction, or if compliance with or enforcement of any article or section should be restrained by such tribunal, the remainder of this Agreement and addendum shall not be affected thereby, and the parties shall enter into immediate collective bargaining negotiations for the purpose of arriving at a mutually satisfactory replacement for such article or section.

ARTICLE XXX - ENTIRE AGREEMENT

ARTICLE XXXIII - FAMILY MEDICAL LEAVE

The City of La Crosse has established a Family and Medical Leave Act policy pursuant to Federal and State Family and Medical Leave Act.

Paid Parental Leave

Effective January 1, 2027, LPPNSA members will be eligible for up to eight (8) weeks of paid parental leave for employees to use upon the birth or adoption of an employee's child, or placement of a foster child. The purpose of the paid parental leave is to enable the employee to care for and bond with a newborn or newly adopted or fostered child. This leave is also available to a birthing parent following a stillbirth after 20 weeks of pregnancy.

Definitions:

- a. Child(ren): Parental leave shall apply to all children under the age of 18.
- b. Paid Parental Leave: Consists of eight (8) weeks of paid time off based on the employee's regular work schedule (e.g. 8 weeks x 40 hours per week = 320 hours of paid parental leave). An equivalent number of hours will be placed in an accrual bank for the employee to utilize during their leave. The amount provided would allow the employee to be off work for an equivalent of eight calendar weeks.
- c. Parent: A person who is identified on a child(ren)'s birth certification, adoption certificate, or other legal document certifying adoption or as a foster parent. This person also serves as continuing parental/caregiver role to the child.

Qualifications for Parental Leave

1. Must be a full-time LPPNSA employee; AND
2. Must qualify for Family Medical Leave Act ("FMLA") leave; AND
3. Must have successfully completed their initial probationary period with the City.

Exclusions from Leave

- An employee's adoption of their new spouse's child(ren).
- An employee serving as a surrogate.
- An employee serving as a sperm donor who will not be a legal parent to the child.
- Additional paid parental leave is not available if the employee has more than one birth, adoption or foster placement in a single calendar year.
- In the case of multiple births (e.g. twins, triplets, etc.) or multiple children being adopted or fostered at one time, all children are treated as one event, limited to eight (8) weeks of paid parental leave.

Use of Paid Parental Leave

- An employee is eligible for paid parental leave once each calendar year.
- The use of paid parental leave is continuous use. No intermittent use will be approved.
- Employees will be compensated for the paid parental leave at their regular rate of pay. This rate of pay will not include any overtime or compensatory time, nor will the City pay any specialty pays or premiums pays during this time. Longevity will be included.
- Paid parental leave will run concurrently with any state or federal family leave for which the employee is eligible.
- If both parents work for the City, each parent is eligible for eight (8) weeks of paid parental leave.
- Use of paid parental leave for adoption or foster care cannot take place prior to the physical placement of the child with the parent.
- If a City holiday falls on any of the paid parental leave dates, the employee will receive the paid parental leave in lieu of the holiday on that date. This time will count against the employees' eight (8) weeks of paid parental leave.
- Employees will continue to accrue other paid time off while using paid parental leave.
- Employees will not use their other accrue paid time off while using paid parental leave.
- Employees using paid parental leave will continue to receive the benefits they had prior to the leave.
- Outside employment, including self-employment, during paid parental leave is prohibited, and may result in disciplinary action, up to and including termination of employment.

Procedure:

Paid parental leave must be upon the birth or adoption of an employee's child, or placement of a foster child. An employee is not required to use all eight (8) weeks of paid parental leave. Any unused leave at the conclusion of the eight (8) weeks will be forfeited.

To initiate the Paid Parental Leave benefits:

1. The employee must fully complete and sign a paid parental leave form and return it to Human Resources at least thirty (30) days prior to foreseeable leave, but preferably ninety (90) days prior to the leave. It is the employee's responsibility to notify Human Resources of the actual date of the event after it is known if it differs from the anticipated date on the form. Any forms not submitted in a timely manner that could result in an undo hardship to the City or Police department may be denied.
2. The Human Resources Director will review and response to the form.

3. The employee must submit documentation required to substantiate their leave within two (2) weeks, or sooner, if possible, of the birth, adoption, or fostering of the child.
4. The supervisor will make efforts to ensure a smooth transition for the employee to return to work at the conclusion of the leave.

Required Documentation:

A copy of the child(ren)'s birth certificate, adoption certificate, or similar governmental/legal document listing the employee as a legal parent.

Work Obligation:

An employee is required to work for the City for at least eight (8) weeks after usage of the paid parental leave. The eight-week work obligation begins on the date the employee physically returns to work after their paid parental leave or exhaustion of FMLA use; whichever is later. The City of La Crosse will seek collection of the full amount of paid parental leave for an employee who fails to return to work and fully complete the eight-week work obligation.

The work obligation is fixed at eight weeks regardless of the amount of paid parental leave used by the employee.

Violations:

Failure to substantiate the paid parental leave with the required paperwork will result in the City seeking collection of the full amount of any paid parental leave used by the employee.

Violations, misuse, or untruthful use of the paid parental leave benefit may result in disciplinary action, up to and including discharge from employment along with the City may seek collection of the full amount of any paid parental leave used by the employee.

Employees should report possible policy violations to the Human Resources department upon knowledge of the possible violation. Paid parental leave is a benefit, and abuse will be taken seriously. Repeated abuse may result in disciplinary action.

ARTICLE XXXIV – LEAVE OF ABSENCE

An employee may request an unpaid leave of absence of up to thirty (30) calendar days. Said request may be granted by the Chief with approval from the Director of Human Resources. The unpaid leave of absence shall not be utilized or authorized for schooling, a new job, or travel.

ARTICLE XXXV – MILITARY LEAVE

Employees who are duly enrolled members of the National Guard, State Guard or any other organized reserve component of the Armed Forces of the United States, shall be allowed a military leave of absence to attend scheduled military training as has been ordered, not to exceed 120 hours. Such time shall be in the calendar year in which so ordered. A copy of orders requiring attendance at military training sites shall accompany all requests for a military leave of absence, and shall be provided to the Chief of Police as soon as they are received. Military leave shall be in addition to any other authorized leaves.

Employees who are authorized military leave as outlined above, shall suffer no loss of straight time pay for such leave. Upon returning to City duty, the City will provide an offset to the employee taking military leave upon receipt of their military pay stub. The City shall pay the

difference between the employee's military base pay, excluding quarters, rations, and travel allowances, and the employees regular City straight time rate of pay if the military pay is less than City pay.

To receive the offset, the employee must provide their military pay stub to Human Resources within thirty (30) days form the date in which the employee returns to City employment. The compensation offset is provided for annual military training, *not weekend drills*.

The City will comply with all state and Federal laws relating to employees in reserve or active military service, including the Federal Uniformed Services Employment and Reemployment Rights Act (USERRA).

ARTICLE XXXVI – RANDOM DRUG AND ALCOHOL TESTING

All sworn officers shall be subject to random drug and alcohol testing. The laboratory shall test for only the substances and within the current limits for the initial and confirmation test as provided within the NIDA standards, which may change from time to time. Alcohol testing shall be conducted by the laboratory using a breathalyzer or similar test equipment.

The random draw conducted by the laboratory will be provided to the Director of Human Resources or his/her designated representative for coordination and scheduling of said employee. 1. Employees assigned as canine handlers will be granted additional compensation to care for their assigned dog. Canine handlers will receive one half-hour of compensation for work time related to the caring of the dog at home, including, but not limited to, training, exercise, feeding, grooming, cleaning the assigned vehicle, cleaning the kennel, and kennel upkeep. The employee shall receive his or her regular rate of pay, as set forth in the applicable Collective Bargaining Agreement. The one half-hour of compensation shall be in addition to compensation for the regular assigned shifts and any overtime compensation associated with being held over for duty related matters. The one half-hour of compensation shall apply on off days and leave days, unless otherwise stated in this agreement. Additional hours outside of the normal workday spent in extraordinary care of the canine must receive prior supervisory approval and will be paid under Article XIV

- Overtime of the Labor Agreement. The one half hour per day of compensation shall be paid on the last day of the month for all applicable days minus any days that the dog is kenneled at the City's expense.
2. The City of La Crosse shall be responsible for expenses related to its dog's care and maintenance including food, as deemed necessary by the City; e.g., outdoor pen, kennel, training supplies, as well as all required licenses, immunizations and medical visits. The immunizations and medical needs shall be provided by the City's chosen veterinarian, with prior approval, absent exigent circumstances. Decisions regarding the medical treatment for the canine will be made by the City.
 3. The City of La Crosse shall determine the appropriate training related to the canine handler and dog.
 4. Employees assigned as canine handlers will not receive compensation for commuting to work, either under normal circumstances or those associated with recall.
 5. Employees selected to be canine handlers must make a 3 year commitment with the understanding that the actual length of the assignment may be influenced by the service life of the dog. The Chief of Police may reduce this time at his/her discretion.
 6. Canine handlers will be provided an appropriately equipped canine take home vehicle and must live within a fifteen (15) mile radius of the City of La Crosse.
 7. The City reserves the right to determine the shift assignment of the canine handler.
 8. An employee assigned as a canine handler will be required to carry a department issued cellular telephone or pager during off-duty hours, unless on a scheduled leave day or with prior approval of his or her supervisor.
 9. If the employee or the dog are unable to perform in their respective capacities because of circumstances that remove them from work; e.g., illness or injury, the department reserves the right to terminate the assignment or reassign the dog to another handler. The one half hour of compensation awarded for care and maintenance of the canine will not apply if a handler's dog is reassigned. The compensation will be awarded to the person to whom the dog is assigned.
 10. When the dog's service life as a police canine has been exhausted, the employee assigned as the dog's handler at that time shall be allowed to purchase the dog for \$1.00. The final determination of a dog's useful service life shall be made by the Chief of Police or his/her designee. If, upon conclusion of an employee's assignment as a canine handler, the canine has a useful service life remaining, it shall be the decision of the Chief of Police to retire or reassign the dog. In the event ownership of the canine is transferred to the handler, the one-half hour of compensation for care and maintenance of the canine, as well as any additional financial support for the direct care and maintenance of the dog will cease. Any assets owned by the City will be returned to the City.
 11. The cost of kenneling services necessary to accommodate an employee's absence associated with paid time off of one (1) week or more will be born by the City. Kenneling services necessitated by any time off less than one week shall be at the expense of the handler. The City reserves the right to select the vendor/individual who

will provide kenneling services to their respective police canines. All kenneling services must receive prior approval. The one-half hour of compensation awarded for care and maintenance of the canine shall not apply when the dog is being kenneled at the City's expense

MEMORANDUM OF UNDERSTANDING #1 | DRUG TESTING POLICY

The parties agree to the drug testing program described below unless preempted by federal or state legislation.

1. PURPOSE

The Department's concerns are such that it is of paramount public interest to protect the public and to provide a safe working environment by ensuring that its personnel are fit for duty. The intent of this order is not only to identify an employee with a problem, but to correct the problem constructively.

The Department views chemical screening as an integral part of its concerns for the public we serve and its employees. However, it also recognizes the individual's reasonable expectation of privacy from unreasonable intrusions by his/her employer. In balancing these two issues, it is our intent to act in these matters only based upon reasonable individualized suspicion for employees. The exceptions to this are covered herein.

2. ENTRY LEVEL SCREENING

- A. All candidates for employment shall be required to submit to a screening of their blood and/or urine as a part of the pre-employment screening process. Refusing to submit or have a confirmed positive test for illegal prohibited drugs/controlled substances may be grounds for immediate disqualification.
- B. Subsequent screening(s) shall be required of all new employees prior to the completion of their probationary period. Refusals or confirmed positive tests may invoke immediate dismissal from the Department.

3. DRUG ENFORCEMENT ASSIGNMENT

Sworn personnel primarily assigned to drug enforcement duties shall be required to submit to a chemical screening prior to accepting the assignment, and random screening during the assignment.

4. REASONABLE INDIVIDUALIZED SUSPICION - SCREENING

- A. Whenever possible, two observing supervisors shall consider an employee's behavior on duty that may be indicative of drug/alcohol use in making a determination whether reasonable individualized suspicion exists.
 - 1. Third party observations/claims shall not warrant immediate screening of an employee.
 - 2. Any employee can enact this process through a non-involved supervisor where the employee has a reasonable basis to believe that another employee is illegally using or under the influence of a drug/narcotic/chemical while in the work place.

3. Definition - Reasonable Individualized Suspicion: A basis upon which employees will be required to undergo a chemical screening. It shall be based on objective facts that the employee is using or is under the influence of a chemical in the work place based upon the observations and/or investigation of supervisors.
- B. ONLY the personal observations and/or investigation by a supervisor shall warrant testing. When more than one supervisor is on duty, a minimum of two supervisors will make such observations and must concur with testing prior to any screening. When only one supervisor is on duty, he/she will call his/her Bureau Director or Assistant Chief to get such concurrence.
- C. All observations and the investigations will be documented on the Screening Supervisory Report.
 1. Immediately prior to any testing based upon reasonable individualized suspicion, the supervisor will issue a written advisory to the employee stating that the requested test is based upon causes briefly defined therein.
 2. The employee will sign and date the advisory, as will the supervisor. The employee shall receive a copy of the advisory. The testing process will occur regardless of whether or not the employee signs.
- D. NOTE: Unusual behavior may be caused by a number of reasons unrelated to chemical influence.

5. PRESCRIPTION AND NON-PRESCRIPTION DRUGS/MEDICATION

- A. An employee using a drug/medication that he/she feels may affect his/her performance shall inform his/her supervisor prior to coming on duty of such drugs/medication and possible side effects.
- B. This information will be held confidential by the immediate supervisors and the employee.
- C. It is the responsibility of the employee to advise the supervisor requesting a chemical screening that he/she is or has taken within the past 72 hours prescription or non-prescription drugs or medications, if this is true.
 1. The employee shall specify the type of medication, amount taken, and time frame that such drugs were taken.
 2. This information shall be provided prior to any test or screening process.
 3. Written verification of lawful possession/use as recommended by a doctor or the manufacturer will be supplied to the supervisor within 48 hours after testing. The Department requires employees who are tested to provide evidence within 48 hours that all prescription medication was lawfully obtained through a person authorized by law.
 4. Any employee using another person's prescription medication may be deemed to have illegal possession if the substance is controlled by law, and subject to disciplinary proceedings, prosecution, or as otherwise authorized by the Chief.

- D. The involved employee may be withheld from the work place until such time as he/she presents the Department with written documentation that he/she was in legal possession of the medication/drug and within stated dosage. This section pertains only to cases of a confirmed positive test of an employee relevant to chemicals under "V".

CITY OF LA CROSSE
ATTENDANCE POLICY
LPPNSA
Effective January 1, 2016;
Revised February 28, 2017

MEMORANDUM OF UNDERSTANDING #2 | ATTENDANCE POLICY

PURPOSE

This policy is to ensure that a consistent procedure is used by all city departments in the administration of attendance at work for sworn non-supervisory Police employees.

ATTENDANCE

All employees will be required to be regular in their attendance and to meet normal attendance standards. For reporting purposes refer to below procedures. Three levels of attendance standards have been established ranging from adequate to unacceptable. Each employee shall meet or exceed the “adequate” standards. If an employee’s yearly attendance, (i.e. January 1 – December 31) falls below this expected level, they will be counseled and warned, and the employee would not be eligible for personal business days in the following year. If the problem persists, the employee will be subject to disciplinary action.

For definition purposes, a day of absence means each individual day, or portion thereof, lost from work due to reasons other than: approved leave of absence, vacation; personal business; family care; bereavement; flex time; military leave; Family Medical Leave; jury or witness duty; injury suffered on the job; disciplinary action; or a physician excused illness or medical appointment of the employee.¹ An occurrence is defined as each consecutive occasion that an employee misses work. Example: If an employee is off sick for two consecutive days (ten hours per day) with the flu that would count as one occurrence and twenty hours absence.

Any sickness or injury of more than three (3) consecutive work days duration must be verified by a physician’s certificate. This certificate must state the kind or nature of the illness or injury and that the employee has been incapacitated for work for said period of absence. Effective January 1, 2017, an employee whose attendance rating fell below adequate the previous year will be required to provide a physician’s certificate for absences of more than 2 consecutive work days.

Where the city has reasonable cause to suspect sick leave abuse exists, the city reserves the right to require reasonable medical substantiation, including a general diagnosis, for any and all prospective sick leave absences including those of two (2) or less workdays. Any and all medical substantiation, including physician certificate, required under this policy may bypass the employee’s immediate supervisor and be directed to the City’s Human Resource Department, if the employee so desires.

REPORTING PROCEDURE FOR EMPLOYEES REQUESTING SICK LEAVE:

The Employee must:

- Personally notify his/her Supervisor or their designee prior to the scheduled start of the shift. Exception – If the employee is incapacitated by a medical condition that would prevent him/her from making the call personally.
- Inform management of the general nature of the illness and expected date of return.
- Inform management if leave is for Family Care. Employees are allowed up to 3 Family Care days (deducted from accrued sick leave bank), and are designated for injury/illness of the employee's minor dependents.
- Keep management informed of changes effecting return to work date.
- Present acceptable medical substantiation upon return to work following more than three (3) consecutive scheduled work days off due to illness or injury. The medical substantiation must be presented to a Supervisor or Human Resources upon returning to work. Effective January 1, 2017, an employee will be required to provide a physician's certificate for absences of more than 2 consecutive work days if their attendance rating fell below adequate the previous year.
- All acceptable medical substantiation for approved absences must be turned into Human Resources within 30 calendar days of the appointment. Late submissions will not be accepted.

MEDICAL/DENTAL APPOINTMENTS:

If the work schedule allows, employees may use accrued sick leave for their medical/dental appointments as follows:

- The employee may use sick leave for the duration of the employee's medical/dental appointment, plus any travel time necessary to and from the appointment, (i.e. an employee has a doctor's appointment at 10:00 a.m. In order to make it there he/she requests to leave at 9:30 a.m. His/her appointment is completed at 11:00 a.m. He/she is expected to return to work immediately after the appointment, i.e. 11:30 a.m.).
- An employee will not be allowed to take the entire day off for an appointment, unless special circumstances warrant such as conditions which affect their ability to safely, effectively or thoroughly perform their job description's essential duties.
- Sick leave is not intended to provide additional income to an employee, but as a substituted form of pay for time attending the employee's appointment. Sick leave may be used for the time period for which the employee's appointment falls during normal work hours, (i.e. the employee is scheduled for an appointment at 4:00 p.m. and ends at 5:00 p.m. The employee's normal scheduled work day would have ended at 4:30 p.m., so the employee would only be able to use sick leave from 4:00 p.m. – 4:30 p.m.).
- Every effort should be made to schedule appointments during non-work time.

ATTENDANCE STANDARDS

ATTENDANCE CRITERIA

“Adequate”

- Less than 64 total hours of absence
- 4 occurrences

“Poor”

- 64 to 87 total hours of absence
- 5 to 7 occurrences

“Unacceptable”

- 88 hours or more total hours of absence
- 8 or more occurrences
- A noticeable pattern of absence is present

Employees must meet both criteria for each standard to be considered for that category. For

example, if an employee has 2 occurrences each lasting 24 hours (for a total absence of 48 hours) the appropriate standard would be “Adequate”.

FALSE SICK REPORTS

Employees who feign illness or injury in order to use sick leave, or to avoid working assigned work, are subject to disciplinary action, up to and including discharge.

REPORTING LATE FOR WORK:

Employees failing to report for work at their scheduled start time will be considered late. Employees shall make every effort to notify their Supervisor or their designee if they are going to be late with their expected time of arrival to work.

The number of late occurrences will be recorded on a yearly (12) twelve month cycle i.e. January - December.

LATE STANDARDS	LATE CRITERIA
“Excellent”	- 2 or less late occurrences
“Adequate”	- 3 or 4 late occurrences
“Unacceptable”	- 5 or more late occurrences

VIOLATIONS OF THE ATTENDANCE POLICY:

Employees violating this policy including failing to meet the adequate standards, shall be subject to discipline measures.
