Thank you for forwarding my message to the appropriate committee meeting Monday June 3 at 10am.

When will the city/county begin to actually take action on implementing the Pathways Home Plan? Creating banning ordinances is NOT the answer to meeting the needs of our homeless neighbors! Housing is if it is combined with Supportive Services. If no information about where to go is given, then "move on" is meaningless and impossible to follow. Imagine yourself in that situation! Take effective action leading to solving the issue of homelessness, not hurtful bandages that hurt some and satisfy the comfortable. As a Board member of Karuna Housing I can assure you that we have answers that need funding to succeed in implementing Pathways Home.
