

LA CROSSE CENTER RFP

TERM OF CONTRACT:	4 YEARS
COMPACTOR SERVICE:	
RENTAL COST PER COMPACTOR	\$ 363.98 per month
COMPACTOR INSTALLATION FEE (does not include electrical or chute work)	\$ 1,477.00 one-time fee
HAUL CHARGE	\$ 115.00 per service

plus disposal (currently \$62.00 per ton)

QTRLY MAINTENANCE PLAN AVAILABLE / COST PER COMPACTOR	\$ 79.13 per quarter
--	----------------------

Includes inspection of machines and greasing. Any recommended repairs are brought to the attention of La Crosse Center staff.

24 HOUR EMERGENCY SERVICE	Available
----------------------------------	-----------

If issue arises after hours that is not an easy fix or needs parts, an empty container is brought to the site and the problem with the machine will be handled the next business day.

Monthly rental agreement does not cover maintenance, repairs, or emergency services of compactors. A separate service/maintenance agreement is available upon request.

RECYCLING SERVICE

(2) 8 yard front load container for single stream recycling

Serviced one time per week each container**	\$ 140.00 per month
OR	
On Call Service	\$ 103.00 per service

**Price allows one temporary stop of service per calendar year (up to 3 months). Additional requests for temporary stop of service will be \$50.00 per occurrence.

Locks are available for containers for an additional cost of \$5.00 per month per container.

If there is unacceptable material in any of the containers (compactors or recycling), there may be additional fees applied if required to dispose of material at La Crosse County Landfill or if Hilltopper is charged for any unacceptable items.

The prices included in this proposal are inclusive of all fees, including sales tax (where applicable), except for fuel surcharge. Fuel surcharge is applied when local diesel fuel price exceeds \$3.00 per gallon.

In the event the contract is cancelled early by the La Crosse Center, there will be a fee totalling the unpaid monthly rental charges for the duration of the contract.
