

Resolution authorizing the use of left over Capital Equipment money for the procurement of a scrubber for the Green Island Ice Arena.

RESOLUTION

WHEREAS, the Park Department is responsible to maintain the Green Island Ice Arena in an efficient manner, and

WHEREAS, part of this maintenance includes the scrubbing of floors, and

WHEREAS, the current scrubber used for such floors is 13 years old, not self propelled, requires an electric cord to operate, and undersized for the square footage of floor to be maintained, and

WHEREAS, the procurement and installation of a new rubber floor is slated to commence in the 2013 calendar year and needs to be maintained in an efficient manner, and

WHEREAS, the technology of scrubbers has advanced to include battery powered self propelled operation and require very little chemicals to clean effectively, and

WHEREAS, such scrubber would greatly improve the efficiency of cleaning operations at the Green Island Ice Arena, and

WHEREAS, the Park Department was prudent with, and has available left over, Capital Equipment money.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of La Crosse that it hereby authorizes the use of left over Capital Equipment money in the amount of \$7,059.54 to procure a new scrubber for the Park Department Green Island Ice Arena from Dalco. Funding sources:
