City Council:

We are excited to be opening our Gundersen Hotel & Suites on August 15, 2017. To enhance our service level at this location; we would like to offer beer and wine for sale to our guests. Our hotel is being constructed with a Market/Pantry adjacent to the front office welcome area. We'd like the ability to sell beer and wine at that location.

Please allow this communication to serve as a request for an application for permitting the sale of beer and wine.

Sincerely,

PREMIER HOTEL PROPERTIES, INC.
