Good Morning Nikki,  
We do serve breakfast at hotel and we have license for that from county. We have seating arrangement for breakfast. We are planning for portable bar during happy hours in evening.  
Let me know if you need any additional information.

Thank you,

Good morning Jay,

We are prepared to have your request for a Combination "Class B" alcohol license introduced to the Common Council this week; however, I am seeking more detail to supplement your letter.

In our telephone conversation, I believe you stated that with your remodeling project you would be adding a bar room. Is this your intent or will you be installing just a portable bar?

Also, does your hotel serve food? If yes, to what extent? Continental breakfast or full-service restaurant? In order to qualify for this license, a hotel must serve food, have the facilities to serve food and be licensed by the County for food. Will you be complying with this requirement?

Please contact me with questions. Thank you for your time.
