Judiciary and Administrative Committee
Re: Parcel: 017030230110
Location: 626 20th Street South

The purpose of this letter is to request a waiver of the rental registration required by 8.07 (I) for the above referenced property.

This has been a rental property since August of 1983 and was registered with the City of LaCrosse as a rental unit on August 26, 2003. It is currently under lease to a family since September of 2008, and all taxes and fees are paid current in full.

I was unaware that a second registration process was required until receiving a discontinue notice. Building and Inspection Department personnel informed me that notices were sent to registered property owners. However this property falls into a section of the city where notices were not sent.

Respectfully,

Larry Alens
