Hi,

Thank you for considering the rezoning of the building on 5th scheduled to be the new Franciscan Community Resource Center.

We have many individuals and families in our community who could use a helping hand and resources to help stabilize them financially.

There has been a lot of revitalization work done in this part of the city and I believe the resource center will assist in that continued process.

Thank you for allowing us to bring that added support to our community at that location.

Thanks,

Dawn
