

City Council Members & Mayor Washington-Spivey,

I, Amy M. Dummer, residing at 1019 Division Street, La Crosse, Wisconsin, 54601, located in District 8, Ward 15, am writing in favor of Resolution 26-0538, appropriating TID funds to our neighborhood, Washburn, boulevard improvements and developing our community garden.

The community garden has been important to our neighborhood for years. It brings us all together, providing produce and comradery for everyone, whether we have a plot in the garden or not. In the garden, generations come together, bridging gaps in teaching and learning, and passing down agricultural traditions.

Again, please vote in favor of this resolution for the betterment of our community.

Sincerely,

Amy M. Dummer
