These improvements will return the historic profile of Pearl Street and preserve it as a part of LaCrosse's history. The cost is minimal compared to the overall visual effect. We can showcase the contrast between the New LaCrosse Center and the oldest and most preseved historic street in the city. Preserving the historic integrity of Pearl Street is imperative to recreating the atmosphere of an ear that marked our rich, river-town history.

To whom it may concern,
We are excited about the Pearl Street Proposal attahed. It's a positive plan and with these simple additions we can make downtown, and more specifically, the oldest street in LaCrosse, Pearl Street, a more vibrant and welcoming place for residents and visitors. We support the plan for angled parking and look forward to working with the city of La Crosse on these improvements.
Sincerely,
Tawni and Ron Kind

Dear Terry,
Please use this letter to represent our interest, approval and enthusiasm for the project you and your family put forth to the City titled, Pearl Street Perspective. In particular, the prospect of angled parking included in your perspectice has our complete endorsement. As a tenured Pearl Street business, we have seen the absolute need for a better parking situation for our street. Thank you for the leadership in this endeavor and feel free to call on us in any way to assist in acheiving this improvement.
