1st - Traffic - average speed - 35 M.P.H -
Reason with a Bike trail crossing at the bottom
of hill - many sudden stops! in the 30 yrs.
I & my wife been here (1355 CTH S.S.) have
seen many close calls! We border up
against LaCrosse Transport a very professional -
clean - quiet - business - as like all the rest
around US; the struggles they all have
trying to get out into traffic with their
trucks has been more of a challenge
in the past few yrs; with increased traffic -

2nd - adding a Entrance (Heavy Industrial) in the
Reason proposed area - will not work! with the
incline - slight corner - Traffic & Speed -
that the Traffic flows, will be accidents
waiting to happen!

3rd - WE all see how the Haxter family conducts
Reason BUSINESS in the area - Every body on
CTH SS - Residential & Industrial are - Quiet -
clean - well maintained - adding this
proposed Business (Haxter family) this
close to Residential will not work!
- noise - odor - litter - varmits -
environmental Impact -
- not the Right Place! -
