Anthony,

I have extended the permit application for the requested dated of 7/20/24. Please let me know by [07/17/24](#) if you think you will need another extension past 07/20/24. I know its hard to know for sure but future extensions have to go to the Board of Public Works, so I want to make sure I have time to get them on the agenda for you.

I have also attached the invoices for the permit. There are two invoices. They are split by start/end dates. You can pay them online using the link or you can mail in a check.

[Pay Invoices \(cityoflacrosse.org\)](#)

Let me know if you have any questions or if I can help with anything else.

Thank you
