Good afternoon,

Several of the anonymous members at CouleeConservatives.com have contacted me to express their opposition to the upcoming vote on an ordinance to ban conversion therapy (reference #22-0636). Here are the concerns they have raised:

- 1) The language is too broad
- 2) It will infringe on religious freedom

It was brought to my attention that a hypothetical situation in which a pastor is counseling a young person would consider that pastor in violation of this ordinance if they reference Bible teachings about God's creation of man and woman and the roles that each play in life.

This would be a clear violation of religious freedom and would cause every Bible believing religion to be treated like criminals. This is obviously bad policy.

Please oppose this ordinance.

Thanks for your time,
Chris Muller
