## OBJECTION TO ISSUANCE OF CONDITIONAL USE PERMIT

	t for the following reason(s):
	ome owner who lives within 200 of this proposed action. I moved into this historic district for the quality of life for m
	on 15th Street is already congested from students who take full advantage of the free parking.
	posed commercialization will continue the degradation in the quality of our lovely neighborhood. Further, there have
	s variances already approved in this area that have allowed rentals to creep in resulting in increased litter, loud pa
	r uses that are not consistent with single family housing. This variance will dramatically change and further
commerc	cialize this once beautiful and peaceful neighborhood resulting in a devaluation of my home and quality of life.
