Thanks. I sent a reminder to Shannon in the assessor's office – she hasn't responded yet (only reviewer besides you that hasn't approved).

Good morning, Chris.

I have one minor comment for this CSM. Please see below and attached.

1. The symbol for the SE corner of GL 9 appears to show a ¾" bar set. Is this the case or does the 2" pipe exist per the tie sheet?

With confirmation of this, the CSM is approved for Engineering. Feel free to get ahold of me if needed.

Thanks!

Good morning,

Attached for your review is a CSM for 1626 Lakeshore Drive in the Town of Campbell; this CSM is in the extraterritorial jurisdiction and is a split into three parcels, so it will also require Council approval, which will be scheduled for October. Please let me know if you approve or have any comments that I can pass on to the surveyor.

Thank you,
