NOW, THEREFORE, in consideration of the mutual covenants and agreements herein exchanged, and other good and valuable consideration, the receipt and sufficiency of which the parties acknowledge, the parties hereto agree as follows:

ARTICLE I

PURPOSE; LAND; DEFINITIONS; EXHIBITS

1.1. Land Affected. The parties acknowledge that the Project will encompass and/or affect the following real property, all of which shall be within the boundaries of TID #17:

The Real Estate, described on **Exhibit A**, and certain public streets and rights-of-way serving the same.

1.2. Purpose of the Agreement. In order to cause the Project to occur and to induce Developer to undertake the Project, to promote community development, industry and job creation and to expand and enhance the tax base and stimulate commercial and residential activity within the City, the City intends to undertake certain project costs and public improvements, if any, necessary for the Project, all as set forth in this Agreement. The City intends to recover its costs through payments received under this Agreement including increased tax revenues generated by the Real Estate. The parties intend to enter into this Agreement to record the understandings and undertakings of the parties and to provide a framework within which the Project may proceed. Developer and the City plan to work together to undertake the Project on the Real Estate all as more fully described herein and in the Master Plan and as approved by the City Design Review Committee.

1.3. Certain Definitions. In addition to the words and phrases elsewhere defined in this Agreement, the following words and phrases, when having an initial capital letter, shall have the following meanings:

- a. "Agreement" means this Chalmers Phase 3 Development Agreement by and between the City and the Developer, as amended and supplemented from time to time.
- b. "City" means the City of La Crosse, Wisconsin, a Wisconsin municipal corporation.
- c. "Construction Schedule" means the construction timetable set forth on **Exhibit F**.

- d. "Contribution" means the contribution or cash grant that is made through this Agreement to incent Developer to undertake the development and assist the Project and for which the Monetary Obligation is incurred.
- e. "Developer" means The Chalmers 1 Residences, LLC, a Wisconsin limited liability company.
- f. "Master Plan" means the Master Plan for the Real Estate prepared by the Developer and approved by the City Design Review Committee as well as all subsequent revisions thereto that are prepared by Developer and approved by the City Design Review Committee.
- g. "Monetary Obligation" means a limited and conditional monetary obligation of the Tax Increment generated from the Project in a maximum aggregate amount of one million eight hundred fourteen thousand seven hundred forty-eight dollars (\$1,814,748.00), that is incurred, in one or more installments, and that is payable over the time not to exceed the duration of the TID #17; more specifically:
 - (1) Calculation. Effective September 1, 2029, the City shall be obligated to pay a Contribution calculated as the Tax Increment resulting from an increase in real property tax base from the Project not to exceed the lesser of: (a) an aggregate one million eight hundred fourteen thousand seven hundred forty-eight dollars (\$1,814,748.00), or (b) eighty-five percent (85%) of the actual Tax Increment resulting from an increase in the real property tax base from the Project for tax years 2028-2035 as further defined in Section 3.1 of this Agreement. The difference, if any, between the actual Tax Increment resulting from an increase in the real property tax base from the Project for any tax year for which a Contribution would be paid and the aggregate maximum one million eight hundred fourteen thousand seven hundred forty-eight dollars (\$1,814,748.00), shall be retained by the City.
 - (2) Disbursement Date. After determining compliance with this Agreement and the actual applicable Tax Increment, the City shall make its Contribution of the Monetary Obligation annually on or before September 1 until payment of the maximum amounts defined herein or until closure of TID #17 by law, whichever occurs first.
 - (3) Conditions. The City's obligation to make Contributions on the Monetary Obligations is conditioned on:
 - (a) The determination by the City Assessor of compliance with the tax minimum described in Section 2.6(b) of this Agreement;
 - (b) The timely payment of taxes when due by Developer;
 - (c) Substantial Completion of the Project in general accordance with the Master Plan, Project Cost Breakdown and Construction Schedule;

 - (f) The use of the Contribution for eligible project costs under the Tax Incremental Law; and
 - (g) Continued compliance with any and all applicable federal, state and local laws, regulations and ordinances by Developer.
- (4) **Example Exhibit.** An example of the Monetary Obligation is attached as **Exhibit G.**
- (5) **Not General Obligation.** For purposes of the Tax Increment Law, this Agreement is an evidence of indebtedness; that is, it fully evidences the City's obligation to pay the Monetary Obligation. No negotiable instrument is being prepared to separately evidence the Monetary Obligation. The Monetary Obligation shall not, however, be included in the computation of the City's constitutional debt limitation, because the Monetary Obligation is limited and conditional, and no taxes have been or will be levied for its payment or pledged to its payment. Nothing in this Agreement shall be deemed to change the nature of the City's obligation from a limited and conditional obligation to a general obligation. No Tax Increments are pledged to the payment of the Monetary Obligation. In the event of an interpretation of this Agreement that would require the City's obligation to change from a limited and conditional obligation to that of a general obligation, then the City's Contribution and/or Monetary Obligation shall be subject to annual appropriation by the City Council.
- (6) **No Acceleration.** Notwithstanding any other provision of this Agreement, Developer has no right to accelerate the payment of the Monetary Obligation. The only remedy of Developer in the event of nonpayment shall be legal proceedings to collect the amount of the Monetary Obligation that is due and payable. Developer may only institute legal proceedings after filing a claim with the City and complying with any other applicable provisions of this Agreement.
- (7) **Limitations.** The City has no obligation to make payments of the Monetary Obligation in excess of the amount of the Tax Increments that have been collected, and allocated from the Project in TID #17 under the Tax Increment Law and the provisions of this Agreement. The City has no obligation to make payments of the Monetary Obligation if this Agreement terminates. In the event of a Developer default and any applicable cure period, described in Section 7.1 of this Agreement, the City may withhold any Contribution that is due and payable and may further seek the recovery

of any Contribution that has already been paid or disbursed, which shall become immediately due and payable.

- i. "Project" means the development and improvement of the Real Estate by constructing and equipping a multi-story building with approximately **80** general occupancy rental units including structured parking stalls on the Real Estate all as described in more detail on **Exhibit B** and in accordance with the Master Plan. - j. ARTICLE II

DEVELOPER OBLIGATIONS

- 2.1. Acquire the Real Estate.** By July 1, 2025, Developer shall acquire fee simple title to the Real Estate.
- 2.2. Develop the Real Estate.** Developer agrees to develop and improve the Real Estate by undertaking the Project, all in accordance with the Master Plan, the Project Cost Breakdown and the Construction Schedule.
- a. **Site Preparation.** Developer shall prepare the Real Estate for construction of the Project, including, without limitation, any necessary demolition or other removal of improvements or preparation currently located on the Real Estate.
 - b. **Construction Schedule.** Developer shall attempt to commence or cause other entities to commence construction on the Project, as described in **Exhibit B**, on or before November 30, 2028. Substantial Completion shall occur on or before March 31, 2031, all in accordance with the Construction Schedule set forth on **Exhibit F**.
 - c. **Guaranty of Minimum Construction Costs.** Developer agrees that the buildings and improvements associated with the Project shall have an aggregate minimum construction cost of not less than eighteen million four hundred eighty thousand dollars (\$18,480,000.00). The Project Cost Breakdown is provided on **Exhibit E**.
 - d. **Rights of Access.** Developer shall permit the representatives of the City to have access to the Project at all reasonable times and with reasonable notice during construction when the City deems access necessary to ensure compliance with the terms and conditions of this Agreement including, but not limited to, access for inspection of all work being performed in connection with the Project as set forth in the Master Plan. No compensation shall be payable nor shall any charge be made in any form by any party for the access provided in this Agreement.
 - e. **Property for Public Streets and Public Improvements.** Not applicable.
 - f. **Master Plan.** Prior to obtaining any building or other permits and/or commencing any construction or development on the Real Estate, Developer shall submit a Master Plan

setting forth all the details of construction and development to the City Design Review Committee for review and approval. Said Master Plan shall conform in all material respects to the provisions of this Agreement, all applicable federal, state and local laws, ordinances, rules and regulations and shall include preliminary and final building, site and operational Plans and Specifications, including, without limitation: (1) building plans and specifications; (2) architectural plans, renderings and specifications; (3) building material plans and specifications; (4) preliminary and final site plans; (5) landscaping plans; (6) stormwater and erosion control plans; (7) lighting plans; (8) traffic and circulation plans for pedestrians, bicyclists, transit riders, truck and delivery vehicles, and automobiles; (9) signage plans and specifications; (10) water and sewer plans; and (11) any other preliminary or final plans, specifications or other requirements as determined by the City Planner. The City Planner may determine, in the City Planner's sole and absolute discretion, whether one or more of the above requirements is applicable to the Project's Master Plan.

2.3. Local Subcontractors. It is agreed by Developer that Developer shall attempt to engage local subcontractors, workers as well as local suppliers for material. The term subcontractor is as defined in Section 66.0901(1)(d), Wis. Stat. The word, "local," shall mean that the subcontractors and suppliers of material have an office or conduct their business within the City of La Crosse or within a seventy-five (75) mile radius of the City of La Crosse, Wisconsin. This section does not apply to fixtures, furnishings, and equipment.

2.4. Compliance with Planning and Zoning; Use. Developer, at its own expense, shall obtain all approvals, permits and licenses as may be required by any governmental or non-governmental entity in connection with the Project. Any conditions imposed on Developer to obtain any approval, permit or license must be acceptable to the City. Developer will not initiate, approve, consent to or participate in any change or modification of the zoning in effect for the Real Estate or any portion thereof, without the City's prior written consent. No property within the Real Estate shall be used for any use other than as set forth in the Master Plan and this Agreement and as approved by the City, including any conditions attendant with such approval, unless such use is further approved by the City under its normal zoning, review and approval procedures.

2.5. Maintenance and Repair. Developer agrees that at all times after construction of the Project, it will keep and maintain the Real Estate and the Project in good condition and repair.

2.6. Taxes. It is understood that the land, improvements and personal property resulting from the Project shall be subject to property taxes. Developer shall pay when due all federal, state and local taxes in connection with the Real Estate and all operating expenses in connection with the Real Estate and Project.

- a. **Annual PILOT.** In the event that some or all of the Real Estate or personal property is or becomes exempt from general property taxes under Chapter 70, Wis. Stat., as amended or superseded, or by any other statute, provision or reason, then Developer shall make an annual payment to the City in lieu of taxes ("Annual PILOT") for the services, improvements or facilities furnished to the Real Estate by the City and other taxing jurisdictions. The amount of the Annual PILOT shall be computed and determined by the City Assessor by multiplying the fair market value (using tax assessment definitions, rules and procedures) of the tax-exempt portion of such property by the total tax rate of all taxing jurisdictions as shown on tax bills issued to taxpayers in the City. Developer or the then current owner of the tax-exempt property, its successors or assigns shall pay the Annual PILOT within sixty (60) days of receipt. Developer shall have the right to appeal the determination of the City Assessor to the City Council. Any appeal shall specifically state the reasons, in writing, why the amount due as provided by the City Assessor is in error. The parties agree that the Annual PILOT shall survive for a period of twenty (20) years or the life of the TID #17, whichever is longer. Notwithstanding, the Developer or its successors shall not be responsible for any Annual PILOT resulting from the Real Estate or a portion thereof

becoming tax exempt due to the use of eminent domain by the United States or some other governmental entity.

- b. **Minimum.** As an additional inducement and in consideration for the City entering into this Agreement, Developer agrees to faithful performance and compliance with all the terms, covenants, conditions and obligations to be kept and performed by Developer contained in this Agreement, including, without limitation, the obligation that the Project shall have an assessed value of not less than thirteen million two hundred thirty thousand dollars (\$13,230,000.00) (the "Minimum Assessment") beginning in tax year 2032 and for a period of twenty (20) years or the life of TID #17, whichever is longer. Developer agrees that this minimum assessed value on the Project shall remain a tax lien on the Real Estate and shall run with the land for a period of twenty (20) years or the life of TID #17, whichever is longer.
- c. **Deficiency PILOT.** In the event the assessed value of the Project is less than the Minimum Assessment as of January 1, 2032, or for any tax year thereafter for a period of twenty (20) years or the life of TID #17, whichever is longer, then the Developer or the then current owner, or its successors or assigns agrees to pay a Deficiency PILOT to the City within 180 days of receipt. Said Deficiency PILOT shall be calculated by first determining the difference between the Minimum Assessment less the actual assessed value of the Project for the tax year at issue, and multiplying said difference by the total tax rate of all taxing jurisdictions as shown on tax bills issued to taxpayers in the City. This requirement shall be a lien running with the land for a period of twenty (20) years or the life of TID #17, whichever is longer.
- d. **Special Charge.** In the event there is a lack of compliance for payment of the Annual PILOT or Deficiency PILOT, then the City, in addition to any other remedy available at law or in equity, may levy a special charge or assessment under Section 66.0627, Wis. Stat., prior to any first mortgage lien on the property for the delinquent amount as calculated herein to enable the City to enforce performance of the Developer's obligations. The owners of the Real Estate and their successors and assigns further agree that they waive any objection to the City making said special charge or assessment; however, they still retain their right to object to the accuracy and amount of the special charge or assessment.

2.7. Transfer or Sale of Real Estate.

- a. **Notice of Intent to Transfer.** No property within the Real Estate may be sold, transferred, or otherwise conveyed unless the Developer first provides to the City written notice of intent to transfer the property at least forty-five (45) days before the sale, transfer or conveyance is to occur. This Section shall not apply to nor restrict a transfer to Developer's financing entity, e.g. placing a mortgage on the Real Estate nor a residential or commercial lease agreement for individual residential living units, individual commercial lease spaces, or parking spaces.
- b. **No Transfer to Exempt Entities.** No property within the Real Estate may be sold, transferred or conveyed to, or leased or owned by any entity or used in any manner which would render any part of the Real Estate exempt from property taxation, unless the purchaser, transferee, lessee or owner first executes a written agreement reasonably satisfactory to the Economic and Community Development Commission providing for payments in lieu of taxes to the City.
- c. **Assignees and Transferees Bound by Agreement.** Any assignee or purchaser or transferee of any portion of the Real Estate shall be bound by the terms and conditions of this Agreement, which shall run with the land and be binding upon all such assignees,

purchasers and transferees. The Developer shall not sell or transfer any portion of the Real Estate to any entity unless and until the Developer has provided the City with written evidence satisfactory to the Economic and Community Development Commission that such assignee or entity has agreed in writing to be bound by the terms of this Agreement. Any such sale, transfer or conveyance of any portions of the Real Estate shall not relieve the Developer of its obligations hereunder.

- d. **Subdivision.** Property within the Real Estate shall not be further subdivided without approval of the City.
- e. **Restrictive Covenant.** Developer shall place a restrictive covenant on the Real Estate prohibiting the Real Estate from being exempt from property taxes in substantially the same form as **Exhibit C**. Likewise, Developer shall place a restrictive covenant on any condominium unit or townhome prohibiting it from being exempt from property taxes in substantially the same form as **Exhibit C**.

2.8. **Easements.** Not applicable.

2.9. **Insurance.** The Developer will obtain appropriate insurance covering the future development as determined by Developer and its lender.

2.10. **Indemnity.** Developer shall indemnify and hold harmless the City, its officers, employees and authorized representatives, ("Indemnified Party"), from and against any and all liabilities, including, without limitation, remediation required by any federal or state agency having jurisdiction, losses, damages, costs, and expenses, including reasonable attorney fees and costs, arising out of any third-party claims, causes of action, or demands made against or suffered by the Indemnified Party on account of this Agreement, unless such claims, causes of action, or demands: (a) relate to the Indemnified Party failing to perform its obligations to Developer; or (b) arise out of any willful misconduct of the Indemnified Party. At the Indemnified Party's request, Developer shall appear for and defend the Indemnified Party, at Developer's expense, in any action or proceeding to which the Indemnified Party may be made a party by reason of any of the foregoing.

2.11. **Utilities.**

- a. **Other Utilities.** Developer shall be responsible for, pay for and cause electrical power, telephone facilities, cable TV lines, and natural gas facilities to be installed in such a manner as to make proper and adequate service available to each building in the Project, as described in the Master Plan. Plans indicating the proposed location of each such utility to service the Project shall be shown on the Master Plan and construction plans to be provided to the City Plan Commission for approval prior to the installation of the utility.
- b. **Water and Sewer.** Developer shall be solely responsible for and shall pay all costs of connecting water and sewer service from the public streets, alley, right of way, or other approved infrastructure to the buildings within the Real Estate.

2.12. **Restrictions.** Developer agrees to neither use nor allow a third-party to use the Real Estate for adult entertainment, pawnshops, mini-warehouses, car title loan business, payday lenders, tattoo parlors, and/or off-premise signs for a period of twenty (20) years or the life of TID #17, whichever is longer. "Payday lenders" and "car title loan business" shall exclude banks and credit unions. This shall be a deed restriction against the Real Estate and shall run with the land.

2.13. Record Retention. Developer understands and acknowledges that the City is subject to the Public Records Law of the State of Wisconsin. As such, Developer agrees to retain all records as defined by Wisconsin Statute § 19.32(2) applicable to this Agreement for a period of not less than seven (7) years. Likewise, Developer agrees to assist the City in complying with any public records request that it receives pertaining to this Agreement. Additionally, Developer agrees to indemnify and hold the City, its officers, employees and authorized representatives harmless for any liability, including without limitation, reasonable attorney fees relating to or in any way arising from Developer's actions or omissions which contribute to the Indemnified Party's inability to comply with the Public Records Law. In the event Developer decides not to retain its records for a period of seven (7) years, then it shall provide written notice to the City whereupon the City shall take custody of said records assuming such records are not already maintained by the City. This provision shall survive termination of this Agreement.

2.14. Repair and/or Replacement of Infrastructure. Developer shall repair and/or replace any damaged City infrastructure or other City property that may occur as a result of the Project, including, without limitation, sidewalks, landscaping, asphalt and light poles. Said repair and/or replacement shall be to the satisfaction of the Board of Public Works.

2.15. Look Back. Developer shall provide documentation, as requested by the City at no cost, in order to allow the City, or its consultant, to review, analyze and make adjustments to the cash grant described in accordance with Section 3.1.

ARTICLE III

CITY OBLIGATIONS

3.1. Project Assistance. Developer agrees to advance funds on behalf of the City for project costs, which the City shall reimburse through Contributions under the terms of this Agreement. Developer has requested a cash grant from TID #17, and the City may be required to make Contributions to Developer, up to an aggregate maximum one million eight hundred fourteen thousand seven hundred forty-eight dollars (\$1,814,748.00), subject to change based on the provision of this Agreement, with funds to be made available upon verification of the Tax Increment increase as defined herein. The City shall disburse its Contribution as required by its Monetary Obligation to Developer in accordance with this Agreement. More specifically,

- a. Pay-As-You-Go Payment Schedule.** Effective September 1, 2029, the City shall be obligated to pay a Contribution calculated as the Tax Increment resulting from an increase in real property tax base from the Project not to exceed the lesser of: (a) an aggregate one million eight hundred fourteen thousand seven hundred forty-eight dollars (\$1,814,748.00), or (b) the sum of eighty-five percent (85%) of the actual Tax Increment resulting from an increase in real property tax base from the Project for tax years 2028-2035. An Illustrative example of the payment of cash grants is attached as **Exhibit G**.
- b.** Intentionally omitted.
- c. Review of Project Assistance.** The financial assistance to the Developer under this Agreement is based on certain assumptions regarding likely operating revenues, expenses and development costs of constructing the Project. The City and Developer agree that that actual financial performance of the Project will be reviewed at the times described in this Section, and that the amount of the Contribution provided under this Agreement will be adjusted accordingly.

- d. **Definitions.** For the purposes of this Section, the following terms have the following meanings:

“Calculation Date” means sixty (60) days after the earlier of: (i) the date of Stabilization of the Project; or (ii) three (3) years after the certificate of occupancy has been issued.

“Net Operating Income” or “NOI” means total annual income and other project-derived annual revenue, including payments outlined in the Agreement, less Operating Expenses, which exclude debt service payments. For purposes of the Yield on Cost Return calculation on the Calculation Date, (i) revenue shall be based upon 95% occupancy for the rental housing portion regardless of whether the average occupancy for the measured period is higher or lower than 95%, and revenue for the commercial portion shall be based on actual occupancy (ii) revenue for periods after the Calculation Date shall be inflated by 2% annually, and (iii) Operating Expenses for periods after the Calculation Date, shall be inflated by 2% annually.

“Operating Expenses” means reasonable and customary expenses actually incurred in operating the Project and any other expenses actually incurred by the Developer pursuant to its obligations under this Agreement, determined in the same manner as shown in the Pro Forma Financial Statement, which excludes expenses after debt service, and includes administrative, payroll, marketing, insurance, property management fees, utilities, maintenance, deposits to commercially reasonable capital replacement reserves and payment of real estate taxes, but subject to final review and acceptance by the City or its consultant.

“Pro Forma Financial Statement” means Project cash flow pro forma model financial statement projecting future returns, a summary of which is attached to this Agreement as **Exhibit H**.

“Stabilization” means the calendar month-end date on which the housing portion of the Project has first achieved an average occupancy of 90% during the preceding 12 calendar months, but, for purposes of the Yield on Cost Return calculation, assuming 95% occupancy notwithstanding actual occupancy rate as of such date.

“Total Project Cost” means the total expenditures incurred to complete development of the Project inclusive of land acquisition, hard construction costs, soft costs and financing costs as approved by Developer’s senior construction debt lender. For purposes of calculating the look back, a developer fee of no more than 4% of Total Project Costs will be used.

“Yield on Cost Return” means NOI divided by actual total development costs, calculated as set forth in the sample look back calculation attached as **Exhibit I**.

- e. On the Calculation Date, the Developer of the Project shall deliver to the City and its consultant, at a minimum, (i) the Developer’s actual financial statement, in the same form as the Pro Forma Financial Statement submitted to the City pursuant to this Section 3.1(c) and showing NOI, and such other financial information as the City, or its consultant, shall reasonably require, for trailing 12-month period preceding the Calculation Date calculated as the Calculation Date as provided herein and as set

forth in the Pro Forma Financial Statement and (ii) evidence, satisfactory to the City, of its Total Project Cost.

- f. The average annual Yield on Cost Return shall be calculated by the City, or its consultant, based on the Project's financial statement submitted to the City pursuant to Section 3.1(e), (in the manner the City, or its consultant, determines is consistent with the sample look back calculation attached as **Exhibit I**, as approved by the City).
- g. If the average annual Yield on Cost Return does not exceed 8% over the term of the Agreement, the Monetary Obligation will remain set at the Contribution amount.
- h. If the City, or its consultant, determines, based on such review, that the average annual Yield on Cost Return over the term of the Agreement exceeds 8% (to be calculated in a manner comparable to the sample attached **Exhibit I**), then the Monetary Obligation will be reduced by an amount calculated in the manner the City, or its consultant, determines is consistent with Section 3.1(i).
- i. The City, or its consultant, will determine the amount of the reduction of the Monetary Obligation, calculated in the manner the City, or its consultant, determines is consistent with the sample look back calculation attached as **Exhibit I**, by:
 - (1) First, determining the period over which the Agreement needs to be outstanding to achieve a 8% average annual Yield on Cost Return over the term of the Agreement based on the City's, or its consultant's, calculation of the average annual Yield on Cost Return.
 - (2) Second, by determining the present value of actual or projected (with respect to future payments) annual Agreement payments over the life of the Agreement through the year determined in Section 3.1(i)(1) using zero percent interest as the present value discount rate.
 - (3) Third, by determining the amount equal to 50% of the difference between the original Monetary Obligation amount of the Agreement and the present value number calculated in Section 3.1(i)(2).
 - (4) Finally, the new Monetary Obligation amount of the Agreement will then be determined by adding the amounts in Sections 3.1(i)(2) and (3) and rounding to the nearest \$1,000 (the "Revised Agreement Principal Amount").
 - (5) Such Revised Agreement Monetary Obligation Amount will be effective upon delivery to the Developer of a written notice stating the Revised Monetary Obligation Principal Amount as determined by the City, or its consultant, in accordance with this Section, accompanied by the City's, or its consultant's, report. The Developer shall, thereupon, deliver the Agreement in exchange for a new development agreement containing the Revised Monetary Obligation Amount.

3.2. Certificate of Completion. There has been no material change in the business operations of Developer since the date of the last financial statement furnished to the City, except pursuant to the conduct of its ordinary business.

6.2. Taxes. Developer has paid, and shall pay when due, all federal, state and local taxes, and shall promptly prepare and file returns for accrued taxes. If necessary, Developer shall pay when due all payments in lieu of taxes and special charges required under the terms of this Agreement.

6.3. Compliance with Zoning. Developer covenants that the Real Estate, upon completion of the Project, will conform and comply in all respects with applicable federal, state, local and other laws, rules, regulations and ordinance, including, without limitation, zoning and land division laws, building codes and environmental laws.

6.4. Payment. All work performed and/or materials furnished for the Project, other than the Public Improvements, shall be fully paid for by Developer.

6.5. Certification of Facts. No statement of fact by Developer contained in this Agreement and no statement of fact furnished or to be furnished by Developer to the City pursuant to this Agreement contains or will contain any untrue statement of a material fact or omits or will omit to state a material fact necessary in order to make the statements herein or therein contained not misleading.

6.6. Good Standing. Developer is a limited liability company duly formed and validly existing and in good standing under the laws of the State of Wisconsin and has the power and all necessary licenses, permits and franchises to own its assets and properties and to carry on its business. Developer is duly licensed or qualified to do business and in good standing in the State of Wisconsin and all other jurisdictions in which failure to do so would have a material adverse effect on its business or financial condition.

6.7. Due Authorization. The execution, delivery and performance of this Agreement and all other agreements requested to be executed and delivered by Developer hereunder have been duly authorized by all necessary corporate action of Developer and constitute valid and binding obligations of Developer, in accordance with their terms, subject only to applicable bankruptcy, insolvency, reorganization, moratorium, general principles of equity, and other similar laws of general application affecting the enforceability of creditors' rights generally. The City represents and warrants to Developer that they have the power, authority and legal right to enter into all of the transactions and to perform all of the covenants and obligations required to be entered into or performed by City under this Agreement.

6.8. No Conflict. The execution, delivery, and performance of Developer's obligations pursuant to this Agreement will not violate or conflict with Developer's Articles of Organization or Operating Agreement or any indenture, instrument or material agreement by which Developer is bound, nor will the execution, delivery, or performance of Developer's obligations pursuant to this Agreement violate or conflict with any law applicable to Developer.

6.9. No Litigation. There is no litigation or proceeding pending or threatened against or affecting Developer or the Project that would adversely affect the Project, Developer or the priority or enforceability of this Agreement, the ability of Developer to complete the Project or the ability of Developer to perform its obligations under this Agreement.

6.10. Certification of Costs. Developer covenants the Project Cost Breakdown accurately reflects all costs of the Project (other than costs associated with the Public Improvements, if any) that will be incurred by Developer in the completion and construction of the Project, and the City shall be entitled to rely on the Project Cost Breakdown submitted by Developer. Developer knows of no circumstances presently existing or reasonably likely to occur which would or could result in a material adverse variation or deviation from the Project Cost Breakdown.

6.11. No Default. No default, or event which with the giving of notice or lapse of time or both would be a default, exists under this Agreement, and Developer is not in default (beyond any applicable period of grace) of any of its obligations under any other material agreement or instrument to which Developer is a party or an obligor.

6.12. Fees and Commissions. The City shall not be liable for any broker fees or commissions incurred by the Developer in connection with any transactions contemplated by this Agreement.

The principals, shareholders, members, managers and/or partners of Developer, its successors, assigns and transferees will not transfer, assign, convey or encumber their respective interests in Developer, its successors, assigns or transferees, as the case may be, if such anticipated transfer, assignment, conveyance or encumbrance would result in the original members of the Developer having less than majority voting control of the Developer, without providing written notification of any intention thereof to the City at least forty-five (45) days prior to the date the proposed transfer, assignment, conveyance or encumbrance is to take effect. Any attempt to so act shall be void and have no effect.
- b. **No Subordination.** The City shall not subordinate any interest they have in this Agreement for any reason, unless it is determined to be in the best interests of the City. Any requests for subordination shall be submitted, in writing, explaining why the request is in the best interests of the City. Said request shall be received by the City not less than forty-five (45) days prior to any City Council action on said request. Said subordination may only be approved by the City Council.
- c. **Developer Financing.** Notwithstanding this Section 6.13, Developer may transfer, assign or encumber the Real Estate in order to secure financing for the acquisition of the Real Estate and/or for construction of the Project. Said lender may place a lien and/or mortgage on the Real Estate, including any renewals, extensions, replacements, modifications or refinancing. Lender's mortgage and/or loan may be transferred or assigned by lender in a secondary market without prior City Council approval. In the event of a foreclosure against

Developer by lender or a deed transfer in lieu of foreclosure, lender shall assume the duties, obligations and rights of Developer under this Agreement. In such a circumstance, lender may transfer or assign this Agreement and its accompanying duties, obligations and rights, to another developer without prior City Council approval. In any circumstance, lender shall provide reasonable notice to City of such actions. This Section shall survive any foreclosure proceeding.

6.14. Commencement and Completion. Developer shall commence and complete construction of the Project in accordance with Section 2.2 above.

6.15. Compliance with Plans. Developer will cause the Project to be constructed in accordance with the Master Plan and will promptly correct any defects in construction or deviations from the Master Plan.

6.16. No Changes. Developer shall not, without the City's prior written consent: (i) consent to any amendments to any documents delivered to City pursuant to this Agreement; (ii) approve any material changes in the Project or the Master Plan or permit any work to be done pursuant to any changes; (iii) modify or amend the Project Cost Breakdown.

Developer shall permit City, its inspectors and/or its construction consultant, at all reasonable times and at no cost: (a) to inspect the Project and all matters relating to the development thereof, and (b) on reasonable notice, to inspect all of Developer's books and records pertaining to the Project. City assumes no obligation to Developer for the sufficiency or adequacy of such inspections, it being acknowledged that such inspections are made for the sole and separate benefit of City. The fact that City may make such inspections shall in no way relieve Developer from its duty to independently ascertain that the construction of the Project and Developer's compliance with this Agreement is being completed in accordance with the approved Master Plan and the terms and conditions of this Agreement. Notwithstanding the foregoing in Section 6.17, the rights conferred upon the City under Section 6.17 shall immediately terminate upon the Project's receipt of an occupancy permit from the City.

6.18. Notification. Developer shall:

- a. Within 30 business days after the occurrence of any default, notify City in writing of such default and set forth the details thereof and the action which is being taken or proposed to be taken by Developer with respect thereto.
- b. Promptly notify City of the commencement of any litigation or administrative proceeding that would cause any representation and warranty of Developer contained in this Agreement to be untrue.
- c. Notify City and provide copies, immediately upon receipt, of any notice, pleading, citation, indictment, complaint, order or decree from any federal, state or local government agency or regulatory body, asserting or alleging a circumstance or condition that requires or may require a financial contribution by Developer or any guarantor or an investigation, clean-up, removal, remedial action or other response by or on the part of Developer or any guarantor under any environmental laws, rules, regulations or ordinances or which seeks damages or civil, criminal or punitive penalties from or against Developer or any guarantor for an alleged violation of any environmental laws, rules, regulations or ordinances.

6.19. Unrelated Activity. It is the intention of Developer and City that the sole business of Developer shall be the construction, ownership and operation of the Project, and Developer shall take no action inconsistent with such intention, including without limitation the acquisition by Developer of real or personal property unrelated to the Project, investment by Developer in the assets or stock of any other person, joining by Developer with any other

person in any partnership or joint venture, or the creation or incurring of indebtedness by Developer unrelated to the Project.

6.20. No Indebtedness. Except in the ordinary course of business and except for funds borrowed to provide the financing for the purchase of the Real Estate or the construction of the Project, Developer shall not incur, create, assume, permit to exist, guarantee, endorse or otherwise become directly or indirectly or contingently responsible or liable for any indebtedness. "Indebtedness" shall mean any liability or obligation of Developer: (a) for borrowed money or for the deferred purchase price of property or services (excluding trade obligations incurred in the ordinary course of business); (b) as lessee under leases that have been or should be capitalized according to generally accepted accounting principles; (c) evidenced by notes, bonds, debentures or similar obligations; (d) under any guaranty or endorsement (other than in connection with the deposit and collection of checks in the ordinary course of business), and other contingent obligations to purchase, provide funds for payment, supply funds to invest in any entity, or otherwise assure a creditor against loss; or (e) secured by any security interest or lien on assets of Developer, whether or not the obligations secured have been assumed by Developer.

6.21. Correction of Defects. Developer shall, upon demand of City (and City may rely on the advice of its inspector and shall not be liable for any errors in such advice), correct any material defect, structural or otherwise, in the Project or any departure from the Master Plan.

6.22. Not for Speculation. Developer represents and warrants that its acquisition of the Real Estate and its undertakings pursuant to this Agreement shall be for the sole and express purpose of the redevelopment of the Real Estate consistent with the Master Plan and the terms and conditions of this Agreement and are not for the speculation in land holdings.

- b. **Reimbursement.** Any amounts expended by the City in enforcing this Agreement and the obligations of Developer hereunder, including reasonable attorney's fees, and any amounts expended by the City in curing a default on behalf of Developer, together with interest at one and one-half percent (1.5%) per month, shall be paid by Developer to the City upon demand and shall constitute a lien against the Real Estate until such amounts are reimbursed or paid to the City, with such lien to be in the nature of a mortgage and enforceable pursuant to the procedures for foreclosure of a mortgage.
- c. **Remedies are Cumulative.** All remedies provided herein shall be cumulative and the exercise of one remedy shall not preclude the use of any other or all of said remedies.
- d. **Failure to Enforce Not a Waiver.** Failure of the City to enforce any provision contained herein shall not be deemed a waiver of the City's rights to enforce such provision or any other provision in the event of a subsequent default.

7.2 City's Default.

- a. **Remedies.** In the event of the City's default hereunder which is not cured within sixty (60) days after written notice thereof to the City, Developer shall have all rights and remedies available under law or equity with respect to said default. - c. **Remedies are Cumulative.** All remedies provided herein shall be cumulative and the exercise of one remedy shall not preclude the use of any other or all of said remedies.
- d. **Failure to Enforce Not a Waiver.** Failure of Developer to enforce any provision contained herein shall not be deemed a waiver of Developer's rights to enforce such provision or any other provision in the event of a subsequent default.

7.3 Mediation of Disputes Required. Unless the parties agree otherwise, prior to litigation and as a condition precedent to bringing litigation, any party deeming itself aggrieved under this Agreement shall be obligated to request nonbinding mediation of the dispute. Mediation shall proceed before a single mediator. The parties shall split the costs of mediation equally. In the event of impasse at mediation, the aggrieved party may then commence an action. However, the parties shall be bound to agree to alternative dispute resolution as ordered by the Court.

Description of Project

T. Wall Enterprises is proposing a three phase, 4-story multifamily development that will take advantage of the vacant lot on 215 Pine Street and the former and now blighted La Crosse Tribune building. The proposal includes 1 level of underground parking, approximately 260 units, and +/- 5,445 sq ft of commercial space. T Wall intends to revitalize the site by demolishing the underutilized/blighted Tribune building to make way for The Chalmers redevelopment.

The Chalmers will serve as a hub for the community, providing gathering and retail spaces. In alignment with the City's Comprehensive Plan, the goal is to create a compact and well-designed mixed-use center that encompasses shopping, employment, housing, recreation, and community gathering opportunities.

The intent is for this development to allow residents access to amenities, resources, and community spaces that cater to all different age groups. The project aims to stimulate revitalization, promote efficient land use, support the employment base, upgrade neighborhoods, increase property value and tax base, attract businesses, and create a vibrant mixed-use community.

The Chalmers is planning one story of underground-parking accommodating approximately 170 stalls. Additionally, the developer intends to construct a skywalk over Pine Street that would connect The Chalmers to the Pine Street Parking Ramp, where The Chalmers plans to lease approximately 120-160 stalls from the City.

In addition to the sky walk, The Chalmers will include bike storage lockers and bike parking stalls for residents in addition to a bike work/repair station for pumping tires, fixing/oiling chains, etc. As noted below, the developer also plans to include bike charging stations for residents who own electric bikes.

Green/Sustainable Building Features:

- Electric vehicle charging stations
 - 10% of parking stalls will have electric vehicle charging stations while 100% of covered parking stalls will be wired to accommodate electric vehicle charging stations in the future
- Recycling and Reuse plan for demolition of existing Tribune building
- Regionally sourced materials where possible
- Bike and scooter charging stations
- Energy efficient appliances
- High efficiency glass
- LED lighting

Phase 3 Specifics:

The Chalmers will be constructed in 3 phases. Phase 3 will include the construction and equipping of a multi-story building with approximately 80 general occupancy rental units, including structured parking stalls.
