

Hello,

My name is Shane Abbott at 3122 Scarlett Drive La Crosse, WI. I would like for the city to voluntarily vacate the unpaved unused street to the <sup>east</sup>west side of my property line. The street was added to the city map in the early 70's and never constructed. Because of the street we have an irregular lot size creating an issue with adding an attached garage to our residence. If the city agrees to the vacate I would like the property line to be straightened to allow for the addition of an attached garage to be sq. and not have an angle. I appreciate your consideration.

Kindest Regards,

Shane Abbott
