Good evening,

I am reaching out to add comment suggesting the approval for the rezoning so the proposed development being named 'Haven on Main' can continue to move forward. I am a citizen of La Crosse who resides in downtown and I feel this will be a great addition to our downtown area and to our city overall. We are in desperate need of more housing across our city and these 74 units will greatly help and will continue to add more of an urban feel and density which aligns well with the city's comprehensive plan.

Thank you,  
Luke Eide
