Dear Mayor Tim Kabatt, and council members,

I am writing to let you know how helpful it would be for my business if the liquor license fee this year was reduced. I heard there was a proposal to consider reducing the fee, due to issues small businesses are facing during Covid-19. These issues are real, all the efforts made by government to support small businesses during this time will not be unseen by me, and will help lead me in determining whether or not I should reopen in the future.

Thank you for considering this,  
Corrie Brekke
