

Resolution authorizing release of funds to purchase pickup truck for Street Department.

RESOLUTION

WHEREAS, the Street Department has 500 lane miles of streets to maintain in an efficient manner, and is also responsible for many other tasks within the City of La Crosse boundaries, requiring the use of pickup trucks in good working order, and

WHEREAS, one of the Street Department pickup trucks is in very poor condition (STR-TRP-13), and

WHEREAS, the Superintendent of Streets, realizing the importance of pickup trucks in good working condition in the Street Department fleet is important to the efficiency of the department, has in the 2017-2021 Capital Equipment Program (Item# 140 in year 2018) a pickup truck listed to replace the above listed unit, and

WHEREAS, procurement of the approved 2016 Capital Equipment for the Street Department is nearly completed and will be estimated to have a surplus balance of approximately \$23,000, and

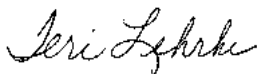

WHEREAS, the Superintendent of Streets and Garage Supervisor believe it to be prudent to replace the above pickup (STR-TRP-13) as to not incur repairs that may far exceed the value of said pickup with the above 2016 Capital Equipment surplus monies to maintain departmental efficiency.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of La Crosse that it hereby authorizes the Street Department to procure a pickup truck to replace STR-TRP-13 with funding from 2016 Street Department Capital Equipment surplus not to exceed the fund balance.

BE IT FURTHER RESOLVED that the replacement pickup listed (Item# 140 in year 2018) in the 2017-2021 Capital Equipment Program be removed from that document.

BE IT FURTHER RESOLVED that the Superintendent of Streets, Director of Public Works, and the Director of Finance are hereby authorized to take any and all steps necessary to effectuate this resolution.

I, Teri Lehrke, certify that this resolution was duly and officially adopted by the Common Council of the City of La Crosse on June 9, 2016.
