I strongly oppose:

25-1054: Resolution Approving the reorganization of the table of position and classification for the Dept. of the Mayor.

I do not support a fast-track Director of Operations position that reports to and works under the direction of the mayor.

I do support the pathway for a City Administrator, an independent job position, that has already been established by City Council in May 2025 for a possible vote in February of 2026.

Thank you,
