I intended to accompany my husband to the city council meeting this Monday night regarding short term rentals, but I am having surgery this week and didn't feel up to traveling. There are a couple of things I'd like to address though.

1. A placard is required on each house. This invites trouble like robbery and theft and placards are not required, as far as I know, on other types of houses or individual residences.
2. Homeowners must live in town or have a property manager in town. We are semi-retired with plans to fully retire in La Crosse. We are in La Crosse Wednesday night through Sunday night and 99% of our rentals occur Friday-Sunday. For those individuals who live "full time" in La Crosse, I assume there are times they are on vacation or out of the city for some reason without a property manager in place so enforcing this requirement seems problematic to me.

Thank you for your time.
