Resolution approving Application of Bethany Evangelical Free Church for a Conditional Use Permit allowing a building addition at 3936 County Highway B.

Planning Staff provided a report on the application with their suggested recommendations. Staff asked for consideration of their revised staff report based on additional information that was provided after the report was written. Kirk Stoa representing the Bethany Evangelical Free Church responded to questions from the question regarding timing of Phase II and their ability to commit to that phase in a timely manner. Mr. Stoa stated he could not commit without consulting with the church board. Scott Neumeister moved to approve the application with the condition that the project must meet all of the required off-street parking requirements and all new parking lot islands must be landscaped with grass and/or plantings. Jacqueline Marcou seconded. The motion passed 5-1. (Yager voting no).
