Good afternoon Sondra,

Bryan has two (2) comments regarding the proposed CSM.

1. The central angle is off by 01". (93°07'23" vs 93°07'22")
2. There is now a building on this property. I would suggest Jim show that.

Thank you,

Dale

Subject: For Review: CSM - Badger St. & 12th St. N (BadgerWest Project)

Good afternoon,

Attached for your review is a resubmittal of a CSM for the BadgerWest project at 12th St./Badger St./West Ave. The original submittal was approved around July of 2025, but was held up from final signature due to a few Engineering requirements related to the project (including a partial vacation of 12th St.).

Since then, enough changes were made that required a brand new CSM be reviewed.

Please let me know if you have any comments/corrections or if you approve of the CSM.

Thank you,
