To whom it may concern,

I Heidi Koresh (Landlord) give my permission for the address above to have 2 chickens outside behind the shed in the back yard.

As the property owner these are my requirements:

1. Area around chickens must be kept clean and cleaned on a regular basis.
2. Complaints from neighbors or other tenants regarding noise or smell will result in tenants having to remove the chickens and equipment from the property.
3. Chickens are to be kept outside in the designated area with proper food and shelter and not allowed in shed or home.
4. Pen able to be mowed around easily with a standard push mower.

Sincerely,  
Heidi Koresh

To My Neighbors,

I have no problem with you guys having chickens in the backyard as long as they are cleaned up after and are not a nuisance. (And I will keep my dog from bothering them too much but he'll probably just be scared of them.)

Your neighbor at  
1551 Horton St,  
Kim Maudel
