Common Council
City of La Crosse
La Crosse, Wisconsin

Dear Council Members,

Thank you for your consideration of our request for a Conditional Use Permit. We are purchasing the large property at 1419 Cass Street to open an upscale Bed & Breakfast. We intend to work with the community as much as possible in every aspect of our business. With a skilled team in place to help launch the business, we plan to open with four guest rooms by the end of the year. With minor alterations inside the home, we can add a fifth bedroom in time for a grand opening in the spring of 2017. We currently have a total of five parking spaces on our property that meet the size guidelines in Ordinance 115-393. We have three parking spaces along the west fence, totaling 31' wide, 18' deep, and two spaces in front of the carriage house, totaling 24' wide, 18' deep. There are two spaces inside the carriage house for our personal vehicle, though we only have one vehicle. As a sixth room is added for guests, we can create another space, facing East, between the home and the carriage house. There is a space 20' wide with a fence dividing the parking spaces from the back yard. We plan to have a total of six guest rooms when we reach full operation, which will likely be in the second year of our business plan. I will attach an overhead view of the home which shows our current parking spaces and another that shows where more spaces can be added when the time comes. Additionally, we have 71' of fence parallel to the alley on the North side of the property. If necessary, we could move the fence 10 feet to the South, creating additional parking in the alley. Several of the neighboring properties have that type of parking that does not obstruct the alleyway.

We look forward to being part of the community and supporting local businesses as we promote our Bed & Breakfast and the region.

Sincerely,

Bruce Banes & Brandon Rigger
