Dear City Council and Mayor,

I am forwarding this to you in support of your interest in banning Conversion Therapy. I will encourage someone from City Council to consider attending this 2 hour conference so that you have greater knowledge about the harm caused by this form of "treatment" It is only \$10.00 and can be attended virtually.

## ***2022 ANNUAL CONFERENCE SESSION SPOTLIGHT***

### ***CONVERSION***

***Directed by Zach Meiners***

**Wednesday, October 19th, 2022, 7:00 pm - 9:00 pm**

**2 Continuing Education Hours**

**Cost \$10**

In 2018, filmmaker Zach Meiners discovered that his former conversion therapist was still practicing. Struggling with the trauma of his own experience, Zach began an endeavor to amplify and empower the voices of survivors, and expose the secretive and often deadly practices of conversion therapy. CONVERSION takes us

on the cinematic and personal journeys of 5 survivors from the US and Canada, as they move through the mental and physical harms of conversion therapy, and find the hope and strength to fight against it. Conversion therapy has become an underground industry, constantly re-branding, adapting, and growing. In discussions of conversion therapy, survivors are often left out of the conversation. And the most vulnerable members of our community, children, are left without a voice, choice, or pathway out of the trauma being inflicted on them. Ultimately, CONVERSION is a story of survival and hope.
