RE: Advanced Fiber Products
 Proposed Planning Commission Review

Mr. Acklin,

Please refer to the enclosed Architectural plan set for Advanced Fiber Products, 2970 Luoyang Ave, in La Crosse, WI. Our intent of this submission is to gain Planning Commission approval for the following:

- New enclosed material storage shed, temperature controlled.
- Associated backup generator and refrigeration condenser.

Building plans for the required construction will be under separate review submittal to the City of La Crosse Building and Fire Prevention Department. There will be no changes to zoning, landscaping, parking, utilities, or signage under this scope of work.

Please do not hesitate to contact me with any questions or comments you may have regarding this matter.

Sincerely,

A handwritten signature in black ink that reads "Kyle Olson". The signature is written in a cursive, flowing style.

Kyle Olson, Design Team Leader
