La Crosse Municipal Harbor Slip Holders

Please enclosed with this letter is the proposed slip fee rates for the 2021 and 2022 Seasons. Park management and I agree that providing a 2-year fee schedule will help both you as a harbor customer and I as the manager in planning tasks needed and budgets for the future of the La Crosse Municipal Harbor.

Over the years, many of you have asked about the option of an early full payment discount. Starting with the 2021 Season, a 5% discount will be offered to customers paying up coming season slip fees in full by November 1st. The Rate Sheet enclosed lists that opportunity. Other than date changes, there are no changes being proposed for the AGREEMENT and TERMS AND CONDITION/RULES for the harbor. Rate changes for Dry Storage and Freeze-In are also being sought.

The proposed fee rates will go before the Park Board of Commissioners at their August 20, 2020 meeting for approval. This will be a virtual meeting. Anyone wishing to address the Park Board of Commissioners will need to register prior to the meeting with Christa Gerloff, Park Department Administrative Assistant, at 608-789-7533.

Thank you for being a customer at the La Crosse Municipal Harbor.

Regards,
