Ms. Elsen,

Tim Acklin suggested we contact you regarding providing the City Council with additional information/renderings for the February 12, 2015 Council meeting.

Attached are the revised design renderings as requested at the February 2, Plan Commission meeting and then presented and approved at the February 3, Judiciary and Administrative Committee meeting. These renderings currently are not on file with the city and were only presented at the meeting.

We understand that these electronic drawings can be distributed to council members as well as posted on the city website along with the previous submitted project information.

If you would prefer, we can also forward printed copies for distribution as well.

If you have any questions or need any additional information please feel free to contact us.

Thank you.

Sincerely,
Vantage Architects, Inc.

Jerrel Schomberg AIA
Architect
