Subject: support for Franciscan Community Resource Center

I feel the proposed Franciscan Community Resource Center will be a good thing for our community. I can also understand the concern of the neighboring homes. In that light I would suggest a committee representing both the neighbors and the people running the Resource Center collaborate to figure out rules and standards (cleanliness, loitering, noise; etc) that are a win-win for all concerned. With all the hate and chaos in our world right now, this could be a great way for La Crosse to lead by example.

Sincerely,
