MEMORANDUM

To: Board of Public Works
From: Bernard Lenz – Utility Manager
Date: 05-01-2020
Subject: Spring 2020 Bio-Solids Status Report

The Utility experienced difficulty for several years in getting bio-solids out of storage and onto the farm fields, due mainly to weather. We are very happy to report that all tanks have been emptied this spring. We are in great shape for storage headed into the summer and wanted to share that news with the Board.
