REMARKS

Attached you will find the completed and signed Finding and Order Application form for the mid-block crosswalk that UWL is proposing on Vine Street, between 16th Street and 15th Street. This crosswalk would coincide with the ADA ramp that was installed to allow visitors to the Center for the Arts to be dropped off and utilize the ramp to get to the new building entrance. If this application is approved, UWL will install the opposite ramp and stripe the crosswalk in Spring of 2018. Please let me know if you need any additional information.
