I think this one should be attached to the file adopted 2/22/2022 to purchase the property.

Hello La Crosse City Council and La Crosse City Clerk,

We know there is a resolution to not purchase the Maple Grove Motel.  
Thank you for your consideration of the views of the public and their input on this property not being the best we can do as a City for our unsheltered, as presented on our website [www.lacrossehomeless.com](http://www.lacrossehomeless.com).

As a courtesy to the 607 individuals who took the time to review the information and digitally complete our petition, we are turning in the names and addresses of those who believe this is not the appropriate property. Of the 607 signers, 43 do not live in the City of La Crosse.

This effort began March 7. We respect your time and consideration.

- Citizens for Sensible Homeless Solutions

PETITION

I support of the Citizens for Sensible Homelessness Solutions petition that calls on the La Crosse City Council to rescind the offer of the Maple Grove Motel as housing for the homeless.

As a taxpayer in the City of La Crosse, I am concerned that this project does not meet the intended goals the City by:

- 1) housing our homeless close to the service providers they need, and
- 2) housing enough homeless (only 26%).

It also displaces those who live there now. Creating homelessness to house the homeless doesn't make sense.

I am asking the City Council to rescind the approved offer to purchase and continue looking for better solutions for our unsheltered.
