Thank you All

At the present time I feel it is best to stop and reevaluate what I am going to do with the 921 West Avenue building. I will reappaly when I have a better idea what I am going to do.

Thanks

I will watch for it and attach it to the Legistar file when received.

Please know, however, that even with the withdrawal; the item will remain on the agendas. The action will be to not adopt.

Let me know if you have questions.
