Re: *To consider the renaming of park property known as Hood Park located on Hood Street between 5th Ave. and 6th St. S.*

Honorable Mayor and Common Council Members:

On April 11, 2013, the Common Council referred the above request to the Public Facilities Designation Committee pursuant to the policy established in 1996.

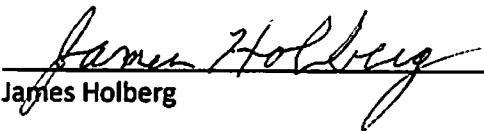

On April 30, 2013 the committee met (members present: Holberg, Italiano, and Zielke) to consider the request and discussed the history of the area. Supporters of the request spoke, including Council Member Francis Formanek.

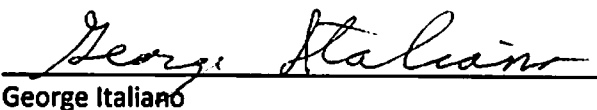

On May 8, 2013, the Public Facilities Designation Committee met (members present: Holberg, Italiano, and Zielke) to further consider the request.

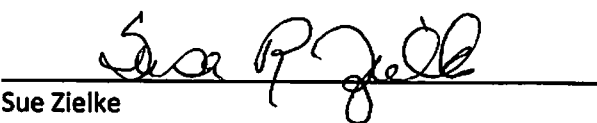

Because there have been no suggested names submitted since the request was introduced to the Common Council and referred to this committee, it is the recommendation of the Public Facilities Designation committee that property known as Hood Park located on Hood Street between 5th Ave. and 6th St. S. become known as "George C. Poage Park".

The name **George C. Poage Park** received unanimous approval of this committee and is hereby presented.

Respectfully submitted by the
Public Facilities Designation Committee

James Holberg

George Italiano

Sue Zielke
