**COMMENTS:** AMENDED PROPOSED RESOLUTION appropriates \$52,000.00 from the previously approved Resolution file #2013-08-029 (ReInvest La Crosse) for the Paint & Fix-up program and an additional \$10,000.00 from the same funding source to allow the City Attorney to seek legal opinion regarding the expenditure of taxpayer funds for redistribution to private parties under this and similar programs. Also resolves that no portion of the \$52,000.00 be released until said legal opinion is obtained.
