***Re: Shared Sanitary Sewer – 1003 King St. & 1009-1011 King St.***

Dear Ms. Erickson:

I have been retained by Jami and Joseph Mathison with regard to the shared sewer lateral for their property at 1009-11 King Street. We are hoping to work with the neighbor in order to achieve a resolution for both parties for this matter and I would ask that you provide us with an additional 60 days to accomplish a new plan including a written agreement as between the parties for responsibilities for action and financial contributions. Please let me know if this extension is acceptable to you. Thank you for your consideration.

Sincerely,

**BOSSHARD PARKE ltd.**
