Re: Clothesline Project Display at City Hall

Message:

I am asking your permission to display the Clothesline Project again this year during the month of October for Domestic Violence Awareness Month. We would like to hang the T-shirts off the second floor bridge that goes to the treasurer's office.

The Clothesline Project is a program started on Cape Cod, MA, in 1990 to address the issue of violence against women. It is a vehicle for women affected by violence to express their emotions by decorating a shirt. They then hang the shirt on a clothesline to be viewed by others as testimony to the problem of violence against women.

Thank you for all your support and providing survivors and their families with a venue to courageously bring awareness to the community.

Sincerely,

Rita Carranza
