TYPE OF ALTERATION: No Parking

GENERAL LOCATION: 2300 block of Commerce St, both sides

Report:

A request and application were received to investigate the 2300 block of Commerce Street for No Parking near Kwik Trip.

The No Parking zone is contingent upon Kwik Trip allowing First Student to park on the city-owned property on the northwest corner of Commerce and Cunningham Streets. It is hereby noted that one business requesting the No Parking constitute 100 % of the footage. It is therefore recommended to install No Parking zone in the 2300 block of Commerce Street on the both sides of the street.

WHEREAS, Section 44-39 of the City of La Crosse Municipal Code of Ordinances provides that after obtaining a report and recommendation of the Traffic Engineer, the Chief of Police shall forward recommendations and appropriate orders to the Board of Public Works.

AND WHEREAS, the Findings of the Traffic Engineer state the public interest, convenience, and necessity, the Chief of Police hereby Orders the above traffic alterations, to wit:

- Install No Parking Zone in the 2300 block of Commerce Street, as defined above.

NOW, THEREFORE, the Board of Public Works hereby approves the aforementioned traffic alteration, and City staff is hereby authorized to effect said changes.
