Required attachments- the following attachments must be included with this application:

- 1) Proof of a bond or certificate of insurance with expiration date in the amount of at least \$1,000,000.
- 2) A diagram of the ground, or facilities (for indoor displays), at which the display will be held. This diagram (drawn to scale or with dimensions included) must show the point at which the fireworks/special effects are to be discharged; the location of ground pieces; the location of suspended pieces; the location of the audience and printed distance of audience to discharge site. For proximate audience (e.g. indoors) displays, the diagram must show the fallout radius for each pyrotechnic device used during the display.
- 3) Names and ages of all assistants that will be participating in the display.
- 4) Provide documentation that applicant has actively participated in at least five (5) indoor/outdoor displays.
- 5) Provide a letter of permission to display fireworks by the property owner.

The discharge of the listed fireworks on the date and at the location shown on this application is hereby approved, subject to the following conditions if any:

Signature of Fire Chief: _____

Date: _____

Signature of Issuing Authority: _____

Date: _____
