Permit issued by:

Comments:

Northern Natural Gas will be installing a revetment mat over existing WIB 11901 pipeline. This requires access into temporary workspace and staging area from Buchner Pl and Causeway blvd. Northern Natural Gas will be utilizing access roads from Buchner Pl and Causeway Blvd to access workspace. The access road and workspace may require tree and vegetation removal. The access road will be staked out and the area will be restored after construction is complete. Northern Natural Gas and their contractor will also be unloading and loading equipment from semi trailers on Buchner Pl and Causeway Blvd during the construction period. traffic controls will be used.

The undersigned understands and agrees to the following: 1) The permitted work shall comply with all permit provisions and conditions listed on and attached to this form; 2) That insurance requirements shall be met prior to approval either by submitting information with application or by keeping current information on file with the Engineering Dept.; 3) The applicant shall contact City Dispatch and the City Traffic Engineer 24 hours prior to the closure of any traffic lanes and shall provide an estimate of the duration of the closure. Temporary traffic control shall be provided and maintained by the applicant and shall comply with Part 6 of the *Manual on Uniform Traffic Control Devices (MUTCD)*.

Note: Once invoiced, application fees may not be refunded. Details of permit, including dates, may be modified with approval of the Engineering Department.
