

Draft Vision & Mission Statements

Vision

To be a trusted resource for resolving discrimination in the community.

Mission

To be a forum for reviewing discriminatory complaints; providing tenant/landlord resources; and promoting diversity, equity, and inclusion in the community.

Core Values

- Providing quick access to legal and housing resources
- Creating a clear complaint process with a quick response
- Continuing engagement with the community to identify their needs
- Collaborating with other agencies
- Being a positive presence in support of other anti-discrimination organizations
- Having trust in a fair hearing
- Housing as a human right
- Working for the dignity and safety of the La Crosse community by promoting diversity, equity and inclusion considering social, economic and environmental factors
- Providing an impartial forum to educate about, monitor for, and implement fair practices.
- Equity and justice
- Having open minds with critical thinking
